I wish to thank everyone who has sent me info on my Dyer family, which is my Mothers family.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research.

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

Sunset and evening star,
And one clear call for me!
And may there be
no moaning of the bar,
When I put out to sea.

For though from out

The flood may bear me far
I hope to see my Pilot

When I have crossed the bar.

Henry Dyers Observe 50 Years of Marriage

72-3,54

Mr. and Mrs. Henry Dyer, 1110 S. Marion, will observe their 50th wedding anniversary tomorrow.

The marriage of Juda Anderson and Henry Dyer took place February 3, 1904, in the home of the Methodist minister, Rev. Matt Sexmith, at Kahoka.

The Dyers recalled that, on their wedding day, it was cold and the snow was quite deep. They went in a sleigh to be married, and after the ceremony they partook of a lunch that had been prepared for them.

They moved from Clark county in December of 1919 to near Kirksville where they lived until the last few years. Since then they have resided in town.

The anniversary was celebrated quietly Sunday with a family dinner.

All the Dyers' children were present, Mrs. Hazel Gardine of Quincy, Ill.; Miss Edna Dyer of Kirksville; Mr. and Mrs. Paul Dyer, Mr. and Mrs. Willard Lowe and family, and Charles Lowe, of Bettendorf, Iowa, and Mr. and Mrs. Joseph Shull of Davenport, Iowa.

One grandson, Audrey W. Gardine, was unable to be present as he is serving in the U. S. Army in Germany.

3 Feb 1954 Henry and Juda celebrated their 50th wedding anniversary in Kirksville, MO. They were living at S. Marion St. in Kirksville at that time. The house is now gone and is part of the College. The article from the paper stated they were married at the home of the Methodist minister, Matt Sexsmith at Kahoka, MO. They also recalled that on their wedding day it was cold and the snow was quite deep. They went in a sleigh to be married and after the ceremony they partook of a lunch that had been prepared for them. I have their wedding picture and also the one in the paper 50 yrs later. A family dinner was celebrated with all the Dyer children present and 2 of their 3 grand children were present.

6 Nov 1956 General Election held in Kirksville. Henry S. Dyer was running as Democrat candidate for Judge of the County Court in the First District. However he lost.

5 Feb 1957 His wife Juda Anderson Dyer died at the age of 78 in the hospital in Kirksville, MO. They were living at 1110 S. Marion St. at the time. Then Henry lived with his daughter Edna in Kirksville until 1960 when he got to much for her to take care of so they put him in the Walker nursing home in Kahoka, MO where he stayed until his death

Henry was Baptist and Juda was Methodist. They both attended church in Kirksville, MO but went to separate churches.

Henry and Juda first lived on a farm rented from his father near Wyaconda, Mo before they moved to Kirksville, MO. Their first farm was on what is now hiway 61 which later became a golf course then Hollister factory there. Before they could get to town to get insurance they had a fire and the house burned, lost all they had. They built two rooms and lived in them until the big house was rebuilt. After the main house was built they used the two rooms for a smoke house and storage for the washing machine and separator. Have a picture of the house after it was built.

Henry farmed several years then moved to town, first on Cottage Grove where they also farmed then lived on Franklin St then last was 1110 S. Marion St. While in town Henry did several odd jobs. Hauled coal in winter in summer mowed yards. Took care of church grounds as well.

They never owned a car and used horse and buggy to get around in early years and when moved into town used taxi service, bus or walked quite a lot.

(Gladys- granddaughter in 1989- I have just found out I have glaucoma (high pressure in eyes - beginning of it) so sure wonder if that was the cause of Juda's mother's blindness. -- Juda could make the best Angel Food cake. She always made one for my birthday when ever we were there at that time. She made my first cake and also gave me my first doll. Since we lived in IL and IA we only got to visit them once a year, maybe twice if were lucky. When my brother and I were older we got to stay with them in the summer once in a while.

Rovene graduated from Kirksville High School in 1933. Have a picture of her in her cap and gown. They were still living on the farm at that time. They made their first home with his parents while Willard helped on the farm and also tried to find other work. Notes	CHILD 5 - Rovene Melvina Dyer (Continued) with Mr Art Meints on his farm. By Mar 1947 they moved to Bettendorf, IA to what was then called Iowana Farms, now the town of Riverdale, across from the Alcoa Plant. He rented land there and also worked at the Iowana Farms Dairy in Bettendorf. Their third child, Marion Dale was born 1952 while living there. They moved from there when the land was sold 1954 and moved to Devils Glen Road in Bettendorf, where he rented a farm and was living there when he was killed in Aug 1971. Rovene bought a house in Bettendorf at 2509 Glenn St. and lived there until she remarried and moved to the farm that Harold owned outside Pleasant Valley, IA. Charles moved onto the farm and rented it from then until he retired from fire dept. and moved to Rock Island around 1993 maybe. They moved back to the house on Glenn ST when Harold's son married and lived there until 1989 when they bought the house on Summitt Hills Dr. Rovene worked outside the home also in several of the bigger Department stores in Davenport and Bettendorf in later years. She worked at Bishops Cafeteria after the death of Willard for a few years. She and Willard traveled quite a lot during the years. Taking the children and going on vacation about every summer somewhere. They both liked to fish and went north fishing a lot as well as West to the mountains. Usually camped in the early years. They went to Murnau, Germany to visit their daughter in 1966 and they did enjoy that. They also traveled thru Germany, Austria, to Venice Italy and back to Germany. Seeing Castles and the different life style was quite interesting. That two weeks went by all too fast. They went to the east coast while they lived there and visited Washington DC and Philidelphia, PA. After Willard's death Rovene went on a trip to Hawaii which she enjoyed also. Rovene went to New York on bus trip with some lady friends in June 1995 and really enjoyed that trip. Harold doesn't think he is able to travel much since 1989 and they haven't gone many places since. Rovene also like to sew and make crafts, crocket and read. She also liked to dance and they liked to play cards. They are't able to dance too well because of health problems but she and Harold like to play cards. They have several card clubs they belong to and she plays cards three to four times a week. She has always been interested in belonging to clubs and helping when she can. Started with PTA and then to 4-H and was leader of 4-H for several years. She also belongs to Farm Bureau and had been in Eastern Star when Willard was a 32nd Degree Mason. She has held offices in most clubs she has been in and now is president of the Leidertafel Ladies card club for two years. Fortunately her health has been good except for some arthritis problems. Mar 1996 however the Dr. found she had too high pressure in her eyes, prob. glaucoma but no damage done so far. Her cholestrol also has been high for some years. She also has cataract's developing but not serious yet. Harold goes to his farm everyday and helps out there so she goes to card clubs. That way they both do what they like and as long as they are able to go they should. Which is the way they look at it and they might just as well enjoy life if they can. Sep 1995 we had her 80th birthday and had family dinner at Jumers. Had article w/picture in paper as well. Her health started to go down by this time and in by Jul 1998 she finally went to the Dr about the dizziness she was having and not being able to balance as well but only thing they could find was a small tumor on the pitutary gland at the base of the brain that maybe the cause but they aren't sure. She had one cataract removed Oct 1997 and in 1999 she had surgery on her neck arteries as mostly blocked then Oct 1999 she had leg surgery to remove plaque from arteries hopefully to help her walk better but didn't really help. She has hardening of the arteries and nothing can be done about that. In 1997 she went to Branson, MO with some ladies. 1998 went on bus trip to Mississippi with a friend. Jul 1999 she went to Branson with her daughter for 5 days and that is last time she has been able to go on any trips as just not up to walking. 2005 Sept had family dinner at The Lodge, formerly Jumers on the 18th of Sept because they had plans to go to McCausland on her birthday, the 4th, as they do every year. So was better for Sheri to come from FL later in the month as well. Will be 24-30 there this time. Will have article w/picture in the paper also. All went pretty well. 2006 Mom said her mother always said she was English and Irish. Don't know where Anderson came from but has been stated Scotland. Richey we don't know but prob. English and Fitzgerald was probably Ireland. So that statement could be true. 2008 Easter, March 22 Harold went in the hosptial to have stomach surgery (23 Mar) as didn't know what was going on so did exploritory and found a little green stick that had perforated the intestine so hope all was going to be okay

Notes	CHILD 5 - Rovene Melvina Dyer (Continued) but 1 Apr they had to do another surgery and he just continued to go down hill from there. Stayed in Trinity for while then moved him to other hosital for therapy but didnt' get bettter so moved him to a nursing home in Moline for more therapy which was in June and then didn't get better so they said he had to go to Hospise at Trinity, back in Bettendorf, he was moved there the 2nd of Jul in the evening and died the next morning by 6am on the 3rd of July. My brother and I saw that Harold wasn't going to get better so we stayed with Mom for a month, him one night and me one night and my nephew stayed for few days then we knew we couldn't keep that up so I said it was time to find someplace to go even it tempory and we looked at some Assisted living places and ended up she liked Jersey Ridge Place the best and they had an opening the first of May 2008 so we moved her there and then just waited to see what would happen. Harolds family was sure Harold was going to get better and Mom was as well, my brother and I knew that wasn't to happen so we were prepared and knew we would have to clean out the house and get rid of all furniture that she couldn't take to the Assisted Living apartment, which she was able to take quite a lot as had nice size kit, living, bedroom, bath. But not wanting to give up everything we had a time getting rid of things and put the house on the market by Sept and didn't sell so changed realtors then Feb the new realtor sold it withing a month, had to take a loss because housing had gone down so much the last few years and the house had not been kept up and needed lots of work to update it but we figured it was time to move on. 2009 May the center celebrated her being there one year. She still goes and plays cards 3-4 times a month and has someone pick her up and the does things with the center so is busy every day doing something if she wants to. My brother and I take her shopping and bank and get things done that still have to be done. Gets around very good with the walker but just can't walk very long now. Has had 3 bad falls this past year but has not broke any bones, just bad cuts that have to be sewed up but she comes back and heals and trying to figure out what is going on. Thought might be blood pressure but eye sight can also be the cause as she is down to just seeing straight in front of her as has lost all periferial vision and may think something is where it isn't. They watch her real close at the center. Mom fell out of bed on 1 Feb 2008 and thought was okay but later began to have pain so took her to th hospital for week then back to center but she didn't get much better so by 27 Mar the nurses thought best to send her to the hospital again as wasn't eating or drinking or taking any meds. so Charlie and I got there shortly before she did and they sent her up to hospice in Trinity Hospital and they kept her comfortable and called all the kids and told them to come in that day if they wanted to see her as she wasn't going to make it till tomorrow and they all did come. By 1: 30 the 28th she passed away. Was taken to McGinnis Funeral Home and Charlie and I had to go to finish up the paper work and the girls went to her apartment and started cleaning it out. Sheri took most of her furniture except the dining room table and 3 chairs which I took and then gave all her clothes to Good Will and other stuff. Harland came and got the two lift chairs they got for them. Sheri was to have taken the Angel set and some Xmas things as Gayle took few things. I took one of her angels as has bought most of them every year for her. She ha a lot of Isabel Blooms and and ones that were left took to the funeral home for anyone to take one if they wanted and so got rid of the rest of them. Charlie and I then went to the apartment and help pack up stuff then we had to go to all the banks and take care of her estate. She had left the grandkids money and rest was divided between Charlie and I, which was more then we had thought. I gave my kids some more money and Charlie wanted me to buy a new car so got a 2011 Chevy Malibu, white, and had just bought a condo in May and took till Aug to sell our house. Then Charlie and I went to finance adviser to know what to do with the rest of the money. CENSUS RECORDS: 1920 Adair Co., Benton Twp, MO pg 16 #200/204 21 Jan: Henry S. After the main house was built they used the two rooms for a smoke house and storage for the washing machine and separator.

Henry farmed for many years then when they moved to town he had several odd jobs., among them hauled coal in winter and mowed yards in summer. They lived several places in town, last one was on S. Marion St. which is not there anylonger. One place was on Cottage Grove and another on Franklin?.

Her mind had been gone for about 2 years and her granddaughter was taking care of her at her home till they had to put her in the nursing home again. She had been in a nursing home in 1992 before her granddaughter came to take care of her.

OBITUARY: Copy from The Quincy Herald-Whig newspaper, Quincy, IL 7 Apr 1995 pg 9A. Obit with picture was quite lengthy, telling of the three marriages, parents, surviving family but most is told in her history so won't repeat it here. She was a 50 year member, trustee and treasurer of the Quincy Unit of Women's Christian Temperance Union (WCTU). She was a 22 year member of the Home Extension Bureau, a former member of the YWCA and a volunteer for the Retired Senior Volunteer Program. Services conducted at 2 p.m. Monday in the Hansen-Spear Funeral home by the Rev. Larry Smith, burial in the Woodland cem. Visitation an hour before services. Hazel lived at 2809 Vermont St., Quincy, IL 62301 with her 4th husband George Urton, until he died then her granddaughter came to live with her and take care of her.

HISTORY: Hazel was born near Luray MO where she lived with her parents on a rented farm owned by her grandparents Dyer.

She moved with her parents to near Kirksville, Adair Co. MO abt 1919. She was about 14 years of age at that time. She never had a high school education but did help to see her younger sister Rovene did have.

She went to work in Ft Madison in 1927 and 1928 left for Montana.

About 1920 she met Audrey W. Gardine and went with him for 8 years before they were married in 1928. He had a chance to work in the coal mines in Montana for good money so he went there. Hazel followed him shortly and they were married in Fairview, Mt Dec 1928. Oct 1929 at age 27 he was killed in a coal mine accident.

That left her being pregnant with her only son Audrey Jr. who was born Jan 1930 in Kirksville, MO. She had left Mt and came back to Kirksville. She worked several different jobs to support them. They lived with her parents for a while.

She married a second time which ended in divorce after 13 years. Md 1938, div, 1951. They lived in Kirksville most of that time, some time in Kahoka, MO.

After her divorce she went to Quincy, IL where she worked at different jobs and then met her 3rd husband Elmer who was living in Sutter, IL and was running his parents farm. They married in 1954 and she moved to Sutter and helped Elmer on the farm. He retired in 1958 and they moved to Quincy to Vermont St. where she has lived ever since. Elmer was crippled but managed to get around good until later years then it got hard for him to get around but managed with a cane for many years. He had never been married before and had lived with his parents until their deaths. He died 1975 age 82.

Hazel met her 4th husband George and they were married on Valentines day 14 Feb 1981 in Quincy, IL. He had been married before and had 5 children. He died 1992 in Quincy, IL.

She has had several broken bones but seems to get around pretty good yet (1992) Hazel was tall like her mother, 5 ft 8 and weight abt 165 pounds and had dark hair and eyes. She looks a lot like her mother did in later years. She has lost a lot of weight the last few years and gets around with the help of a cane now.

Have several pictures of Hazel at different ages.

1991 address was listed Box 853 Hollister, MO for Wayman and Jean Gardine. After Jeans death Wayman moved to a trailer court just outside Branson, MO which is where he said he was living in Apr 1995. He gave me his business card but only had his phone number on it. #335-8344.

One son was John Henry and the other Elmer Gardine. Both working and doing okay Shirley said. One is married, one had health problems when younger but getting along okay.

His third wife was Frances Kirby and they were divorced in 1975/6. Their daughter Carman stayed with Wayman for a while then went to live with Wayman's Mother for some years and went to school in Quincy, IL. He has moved around so much he is hard to keep up with. Right now he is living with his 4th wife Jean in Hollister, MO. She runs the Ozark Newspaper out of her home in Hollister, MO. Don't know what he is doing.

Wayman was 5 ft 6 and weight ususally 195/225 pds. He had dark hair and eyes.

The Lord is my shepherd; I
shall not want.

He maketh me to lie down in
green pastures: He leadeth me
beside the still waters.

He restoreth my soul: He leadeth
me in the paths of righteousness
for his name's sake.

Yea, though I walk through the valley
of the shadow of death, I will fear
no evil: for thou art with me; thy
rod and thy staff they comfort me.

Thou preparest a table before me
in the presence of mine enemies:
thou anointest my head with oil: my
cup runneth over.

Surely goodness and mercy shall
follow me all the days of my life:
and I will dwell in the house of
the Lord for ever.

*God hath not promised
 Skies always blue,
Flower-strewn pathways
 All our lives through;
God hath not promised
 Sun without rain,
Joy without sorrow,
 Peace without pain.*

*But God hath promised
 Strength for the day,
Rest for the labor,
 Light for the way.
Grace for the trials,
 Help from above,
Unfailing sympathy
 Undying love...*

He was at his mothers funeral Apr 10, 1995 and introduced Doris as his wife. However daughter said she didn't think they were married yet but going to be soon.

1991 address was listed Box 853 Hollister, MO for Wayman and Jean Gardine. After Jeans death Wayman moved to a trailer court just outside Branson, MO which is where he said he was living in Apr 1995. He gave me his business card but only had his phone number on it. #335-8344.

He was at his mothers funeral Apr 10, 1995 and introduced Doris as his wife. However daughter said she didn't think they were married yet but going to be soon.

1991 address was listed Box 853 Hollister, MO for Wayman and Jean Gardine. After Jeans death Wayman moved to a trailer court just outside Branson, MO which is where he said he was living in Apr 1995. He gave me his business card but only had his phone number on it. #335-8344.

HISTORY: Wayman was born and raised in Kirksville, MO. He left home young and worked several places before he enlisted in the Army for 6 years. He was in the Korean war and spent some years in Germany. He received a medical discharge as he had been shot and had schrapnel. He had been married twice and divorced twice by this time.

His first or second wife was Shirley ? and they lived in WI for some years after they were married. He had two sons by this marriage. Shirley and the two boys live in WI (Milwaukee) and I wrote to her in 1990 and she called and said she would send the info on her and son's but have never heard anymore. One son was John Henry and the other Elmer Gardine. Both working and doing okay Shirley said. One is married, one had health problems when younger but getting along okay.

His third wife was Frances Kirby and they were divorced in 1975/6. Their daughter Carman stayed with Wayman for a while then went to live with Wayman's Mother for some years and went to school in Quincy, IL. She later moved to NC where she is lived for a while and had a good job with an insurance co. Before moving back to Quincy to take care of her grandmother.

1966 They were living in ST Louis and Wayman was working for the St Louis Ink Co. then he took a job as a guard at one of the schools in O'Fallon, MO for a while then he went back to ST Louis to work.

He has moved around so much he is hard to keep up with. Right now he is living with his 4th wife Jean in Hollister, MO. She runs the Ozark Newspaper out of her home in Hollister, MO. Don't know what he is doing.

Wayman was 5 ft 6 and weight ususally 195/225 pds. He had dark hair and eyes.

1995 UPDATE: Wayman lost his 4th wife Jean to cancer and by April 1995 he had just got married or was going to very shortly to Doris. Don't know last name as she was only introduced to us as Doris. They are living in a trailer court just outside Branson, MO. He is in the Yard Mowing and Trimming business and has been for some time.

WIFE Doris ?UNKNOWN-2384

NOTES:

She was introduced as Doris, his wife to us at the funeral of his mother Apr 10, 1995 in Quincy, IL.

Daughter Carman said she thought they were going to get married.

They were living just at edge of Branson, not in Hollister now in a trailer park.

WIFE - Lillie Armilda "Billie" ECKLES-556

Info from Billie. 1991-1997 she was living at 510 N. 18th ST. Apt 413, Unionville MO. 63565 This is an elderly, low rent housing complex, which is very nice, just on the edge of town near the hospital.

She had bought a house at 2023 Union St. after the death of Paul and moved there until she wasn't able to get around very well and after a few years she moved into the elderly complex. She has arthritis real bad and isn't able to do much. Her hands and legs are real bad.

While they were living in Bettendorf she belonged to the Assembly of God church where she was the Childrens Church Instructor and taught Sunday School for 12 years until 1975 when she moved to MO. She had received 14 certificates for Bible School Classes. After moving to Unionville she became very active in the Church there but when her health started to fail and she couldn't get around too well she had to stop going in a couple years. She then sold her house and went into the elderly housing complex, where she could live in an apartment and still be close to help if needed.

Few years after she went into the nursing home, must have been about 2000 or so as Mom and I visited with her in elderly complex and I had alone but had never gone to the nursing home where she went. Had continued to write to her and Mom said she always send a card and money for her birthday. She was at Putnam Co. MO Care Center at 18-- Oak Street in Unionville. My brother Charlie was coming back from AZ the 12th of Nov 2007 he was going to stop by and see how she was doing and found out she had been buried that Sat a week before which would have been the 3rd of Nov and probably died on 1st of Nov. He did find out she had kept her mind but body failing her and believe died of heart failure but so glad he had thought to stop as no one had let Mom know, which thought strange as she had her as one to notify am pretty sure. She was 89 in May 5th.

Her niece Roxanne that she always talked about and knew came to see her a lot, Charlie found out she was buried that Monday the 12th of Nov so she probably would have died on the 10th, just week after her Aunt. Rather strange. Know she was younger then Aunt Billie but don't know the circumstances. Located both obituaries and Aunt Billie died Nov 6 2007 and buried the 10th and Roxcie died 9th Nov and was buried the 12th of Nov. My brother was there on the 12th of Nov. as only way we found out. He hadn't been that way in several years so why picked that particular time to go by we will never know.

Her family was from there and she did have some family left that lived there so she felt better about going back there after Paul's death.

She lived 32 years after Paul died and would have been buried in same cem as her name was on same stone as her husband Paul's.

She gave me info from her family bible which I wrote down but not sure belongs to who as was written as Birth, Death, Marriages so not sure who is her siblings or their spouses or children for sure.

Presented to Lillie Dyer, 3618 Orchard Ave, Davenport (no date) The Holy Bible, The World Publishing Co., Cleveland & New York.

Edna was 72 when she suddenly passed away at the Laughlin Osteopathic Hospital in Kirksville. She hadn't been well of late but death certificate list natural causes. She had fallen and believe it was caused from that. She was buried next to her parents in the New Woodville cemetery near Wyaconda, MO. She had had all the arrangements made which was a help to the family as not knowing what she would have wanted. She had her stone put up some years ago as well.

She moved with her family in 1919 age 8 from Wyaconda area to Kirksville, MO where she graduated from Kirksville High School. Have a picture in her cap and gown dated 23 May 1930, Saturday morning. Also have one of her taken summer of 1929 age 17.

After graduation she had met a man that she had intended to marry but he died and she never married.

She had worked as a housekeeper for many people in Kirksville most of her life until retirement age when she had to slow down as her health was starting to fail. She also worked at cleaning office's as well as homes. After her mother died she took care of her father for a while but wasn't able to so her other sister Hazel took care of him for a while and then they had to put him in a nursing home in Kahoka as they just weren't able to care for him. She was a member of the First Baptist Church in Kirksville and attended regularly until last few years. She had not missed a Sunday for 35 years in 1973. After that she did miss a few.

She liked to sew and read and after she retired she had some time to do that and going to church she kept busy and seem quite content with life as it was.

Edna U. Dyer, age 71, of 501 E. Washington died unexpectedly at 10:30 a.m. Saturday, (October 8, 1983) in Laughlin Hospital. Services will be announced later by Foster-Fohn Memorial Home.

Perhaps you sent a lovely card,

Or sat quietly in a chair.

Perhaps you sent a funeral spray,

If so we saw it there.

Perhaps you spoke the kindest words,

As any friend could say;

Perhaps you were not there at all,

Just thought of us that day,

Whatever you did to console our hearts,

We thank you so much whatever the part.

By the family of

Edna Dyer

APPRECIATION

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures:

He leadeth me beside the still waters.

He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.

Yea, though I walk through the valley of the
shadow of death, I will fear no evil:

for thou art with me; thy rod and
thy staff they comfort me.

Thou preparest a table before me in the
presence of mine enemies:

thou anointest my head with oil;
my cup runneth over.

Surely goodness and mercy shall follow

me all the days of my life:

and I will dwell in the house of the Lord for ever.

Dear Gladys & Chuck

It was sure hard to go in and start throwing out things but that was all we could do. I was sure surprised when I called Hazel & she said she didn't want to come only for the funeral & then when I called her when we had all the arrangements made she said she wasn't feeling up to coming even for the funeral would meet us in woodville. When I saw her I could understand why for she has really failed in the last year.

She said she had fallen not long ago & hadn't gotten over that yet.

George said they had gotten lost coming to cemetery but they must have tried to take a short cut for Hazel said they had been there around Memorial day & put flowers on the folks grave.

She had seen Edna's stone then she said. Billie wasn't able to come to funeral either. She said she had almost been in bed for three weeks but was some better now. was taking shots

much tho. Lee & 2 other ladies were there at same time ^{in house} & then Gene, men & Harold.

for something. Said she couldn't wear the brace any more it made her leg swell so.

We bought garbage bags & Harold would bring me boxes of stuff & I'd quickly look thru it & throw out what I thought was no good. She had kept a running diary of about every day & had a year in a Vanilla envelope. The years were scattered around in different boxes.

She had Xmas cards from way back from people also birthday cards.

She had hats & stocking caps & gloves (every color you could think of) but I expect people she had worked for gave her some things like that. I can't believe she bought them all.

Had several pairs of new shoes she hadn't worn but 9 B. Had a couple of new dresses & she had ordered them from Monkey Wards. Found money orders where she had ordered from M.W. other things.

I told you ~~she~~ we through out boxes of pills that were minerals & Vit C + D + E & boxes of tea all herb kinds & supposedly health flour of different kinds. She had eaten them when she got them I suppose & it was way back

to move up to the Miller Apartments again. She wanted to be closer to town they said.

She had a box of material & lots of thread in a box & she had already called the church to come pick that up for a nursing home. We found more material & pieces & more thread so we put that all together & we took it up before we came home. They hadn't come to pick it up after she called them.

55's check was for Oct so had to send that back in & 55's check has to go to spouse kids, parents or estate. They said it would cost more to make an estate than the check was worth. They would make up a death certificate & fill that in court house. May cost us some for filing. Funeral director said he would take care of it. Haven't heard anything yet any way. F.D. said couldn't get insurance for 30 days & I thought it was set up the church would get it but the lady at Turnel home didn't think Edna had signed it. She had form to sign but didn't think she had. They were going to write & see. Just have to wait & see what comes up.

Sure glad to hear Chuck is feeling better. Mrs Brown called & thinks Becky has nice people to work for. Gany think else you want to have to write & ask me. Saw Deloma a couple of times & Marquette came up for visitation. Didn't get to talk to her much tho. Lee & 2 other ladies were there at same time. Love mom & Harold

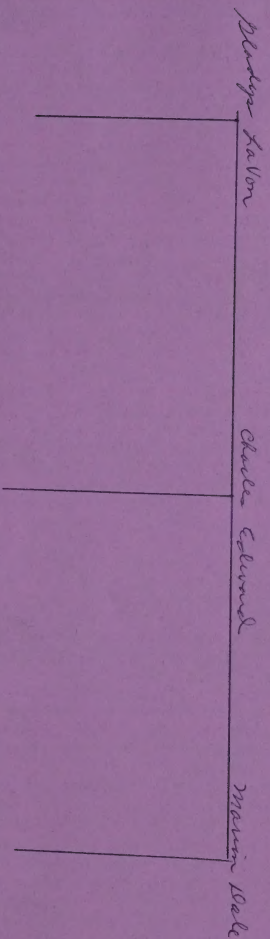

in 79-80-etc. In bath room so
much junk for skin care & ~~had~~ hand
lotion with just a little used out of
& then dried up. Had 3 big garbage
sacks full as we dared feel them to
carry them out.

Had boxes of clippings of year ago
some had turned yellow with age
also several diary she had written in.

When you moved any thing tho there
would be cockroaches run out so afraid
to keep much as sure wanted to want to
give them to anyone. What we did
bring home we put in a trunk &
charlie has it out in barn & we are
spraying it ever so often hoping to
get rid of them before we bring any
thing in house. There were a few dishes
& a tray or two some flower vases, picture

She was getting SS & SSI &
help on ~~her~~ ^{her} rent and had Medicaid
(Hospital & dr paid) so she could have
lived not too bad if she hadn't spent
all her money on this junk stuff that
we thru out. She had asked a young
man at the funeral home to get her
some boxes as she was getting ready

NOTES:

BIRTH: Info from birth cert. listed name as Willard Harlo Lowe, Social Security application listed name as Willard Arlo Lowe and death cert. Willard Harlo. Bible record listed Willard (H)Arlo and he always used Harlo as middle name. Have pictures of him at various ages and also picture of grave stone.

MARRIAGE: Copy of mg licence from Kirksville, Adair Co. MO.

SOCIAL SECURITY: Info from social security application was given the # of 131-12-9189. He received the number thru the company he worked for "Crowell Publishing Co." and address was in New York, NY. Jan 29, 1938.

DEATH: Info from death cert., obit from Davenport newspaper and personal knowledge. He was killed on the farm he rented on Devils Glen Rd. while he was out feeding the pigs. Apparently the tractor turned over, maybe hit a hole, don't know for sure. Was killed instantly.

OBITUARY: Copy from Davenport Times Thursday 5 Aug 1971 (has picture of tractor overturned and of Willard). "Tractor Tip Kills Bettendorf Farmer-- A Bettendorf farmer was killed late Wednesday afternoon when the tractor he was driving toppled over and pinned him beneath it. -- Willard Richard (actually Harlo) Lowe, 56, 2029 Devils Glen Road was pronounced dead at the scene by Dr. Paul Cunnick, acting Scott county coroner. Dr. Cunnick said Lowe died from severe skull injuries. -- Masonic services will be conducted at 1 p.m. Saturday by Hamilton Lodge, AF 7 AM Bettendorf, in the McGinnis Chapel, Bettendorf. Burial will be in Davenport Memorial Park. -- Visitation begins at 7 p.m. today at the funeral home. -- Police said Lowe was hauling corn for hogs in a front mounted tractor scoop. When the front of the tractor hit a deep rut and bounced, the raised load caused the vehicle to flip downslope onto its top, police said. -- The mishap occurred in a hog pen behind the house. -- Mrs Lowe found the overturned tractor about 5:30 p.m. and called police, authorities said. -- According to Lowe's son Charles, a Davenport fireman Lowe had farmed about 20 years. His son said Lowe moved to Bettendorf about 1955 (actually 1948).-- Lowe had also been employed at the Iowana Dairies, Bettendorf. --He was born in Yarrow, MO. He married Rovene Dyer in 1934 in Kirksville, MO. -- Mr Lowe is survived by his wife, a daughter Mrs Charles (Gladys) Treadway, and son Charles, both of Davenport, four grandchildren; sisters, Mrs Olin LaMaster, LaPlata, MO and Mrs Alex Wright, Quincy, IL and brothers, Claude, Council Bluffs, Iowa, Floyd, Humboldt, Iowa and Gale, Wrenwick, Iowa (actually Renwick)."

Willard was born on a farm near Yarrow, Adair Co. MO. Soon after they moved to a farm near Kirksville, where he was raised. There isn't anything left of the place now except the land. All the buildings have been torn down and a new grade school and housing has been built there.

He went to Lone Star School which was about 1/2 mile from his house until the 8th grade. After that he worked different places.

He was married in 1934 and the first year they lived with his parents and he also worked other jobs and traveled some trying to make a living. After their first child was born they moved to a farm of their own and lived there until 1940 when they moved to Rock Island, IL. where he went to work for the Sturtevant Dairy. He worked there from 1940 to 1944. He lost a part of his finger in a filling machine there, in Jun 4, 1942. He was taken to St Anthony's hospital where the finger was amputated at the first joint. He was living at 606 Fifteenth street Rock Island at that time. (article from prob. Ill paper dated 4 Jun 1942. There was also a picture in the paper, have no date for it, that showed inside the plant of Sturtevant Dairy that shows a new machine where paper bottle is processed and filled. Willard was one of the men shown working the machine.

He always farmed, but also worked other places at the same time. He worked at the Iowana Dairy from 1947 to 1971 when he was killed. He always rented and never owned any property until after 1954 they bought a couple apartment buildings for income property. Rovene sold them after his death as she just couldn't take care of them.

He was a 32nd degree Mason and belonged to the Blue Lodge of Davenport, IA then joined the Hamilton Lodge AF & AM and also the Buffalo Bill Shrine club of Pleasant Valley, IA.

What spare time he had left after working two jobs he liked to fish and dance and play cards. He liked to travel also and they went to many states during the years. I guess his biggest thrill was going to Germany when his daughter was there in 1966. They flew there and stayed two weeks and traveled around Germany, Austria, to Venice, Italy and back to Murnau, Germany. Saw different Castles and sights never seen here. He never liked heights and right up to the last he said he wasn't going but when the time came he was on the plane. Didn't really like it, I think, but went anyway. They also went to the east coast while Gladys lived there and in 1970 visited Washington DC and Philadelphia, PA and other sights around Aberdeen, MD.

His health was usually pretty good. He had back problems which put him down sometimes and also suffered from migraine headaches as did his father and mother.

NOTES:

BIRTH: Info from Rovene and also Dyer family bible, and copy of birth cert.

MARRIAGE1: Copy of marriage licence recorded Kirksville, Adair Co. MO. Article from Kirksville newspaper 25 Apr 1934 -- Miss Rovene Dyer and Willard Lowe Married-- Miss Rovine Dyer and Willard Lowe, both of Kirksville, were married here last night at the M.E. parsonage, 516 East Washington Street, by the Rev. Joseph W. Thompson. They were accompanied by Mr and Mrs William R. Myers." (Myers was Aunt of Willard).

MARRIAGE2: Recorded Scott Co. IA court house. Copy of notice from Quad City Times. newspaper Wed. Dec 3, 1975 under marriage licences. Also notice of their marriage at Broadview Methodist Church, Bettendorf.

Rovene is living at 939 Summitt Hills Drive, Bettendorf, IA with her second husband, Harold G. Schurr.

Rovene was born near Kahoka, Mo on a farm rented by her father from his father. She lived there until 1919 at age 4 when her family moved to a farm just outside Kirksville, Adair Co. MO. The farm later became a golf course and now is Hollister Factory on hiway 61. Before they could get to town to get insurance they had a fire and the house and all its contents were destroyed. They built two rooms first and live in them until the main house could be rebuilt then they used the two rooms for wash house and separator room. They lived there for many years.

Rovene graduated from Kirksville High School in 1933. Have a picture of her in her cap and gown. They were still living on the farm at that time.

She met her first husband thru a blind date and went with him until they were married in Apr 1934. They made their first home with his parents while Willard helped on the farm and also tried to find other work. Their first daughter was born in that house in Apr 1935 and shortly after that they moved to their first home near Bullion, MO. Their second child, Charles was born here in Oct 1936.

They lived there until about 1940 when they didn't think they could make a living farming there so moved to Rock Island, Ill where he got a job at the
 Sturdevant Dairy. By 1942 they had rented a farm near Hillsdale, Il and he farmed and also worked at the Dairy. By Mar 1944 they moved to a farm near
 Maysville, IA where he farmed shares with Mr Art Meints on his farm. By Mar 1947 they moved to Bettendorf, IA to what was then called Iowana Farms, now the town of Riverdale, across from the Alcoa Plant. He rented land there and also worked at the Iowana Farms Dairy in Bettendorf. Their third child, Marion Dale was born 1952 while living there. They moved from there when the
 land was sold 1954 and moved to Devils Glen Road in Bettendorf, where he rented a farm and was living there when he was killed in Aug 1971.

Rovene bought a house in Bettendorf at 2509 Glenn St. and lived there until she remarried and moved to the farm that Harold owned outside Pleasant Valley, IA. Charles moved onto the farm and rented it from then until now. They moved back to the house on Glenn ST when Harold's son married and lived there until 1989 when they bought the house on Summitt Hills Dr.

Rovene worked outside the home also in several of the bigger Department stores in Davenport and Bettendorf in later years. She worked at Bishops Cafeteria after the death of Willard for a few years.

She and Willard traveled quite a lot during the years. Taking the children and going on vacation about every summer somewhere. They both liked to fish and went north fishing a lot as well as West to the mountains. Usually camped in the early years. They went to Murnau, Germany to visit their daughter in 1966 and they did enjoy that. They also traveled thru Germany, Austria, to Venice Italy and back to Germany. Seeing Castles and the different life style was quite interesting. That two weeks went by all too fast. They went to the east coast while they lived there and visited Washington DC and Philidelphia, PA. After Willard's death Rovene went on a trip to Hawaii which she enjoyed also. Rovene went to New York on bus trip with some lady friends in June 1995 and really enjoyed that trip. Harold doesn't think he is able to travel much since 1989 and they haven't gone many places since.

Rovene also like to sew and make crafts, crocket and read. She also liked to dance and they liked to play cards. They are't able to dance too well because of health problems but she and Harold like to play cards. They have several card clubs they belong to and she plays cards three to four times a week. She has always been interested in belonging to clubs and helping when she can. Started with PTA and then to 4-H and was leader of 4-H for several years. She also belongs to Farm Bureau and had been in Eastern Star when Willard was a 32nd Degree Mason. She has held offices in most clubs she has been in and now is president of the Leidertafel Ladies card club for two years. Fortunately her health has been good except for some arthritis problems. Mar 1996 however the Dr. found she had too high pressure in her eyes, prob. glaucoma but no damage done so far. Her cholestrol also has been high for some years. She also has catarach's developing but not serious yet.

Harold goes to his farm everyday and helps out there so she goes to card clubs. That way they both do what they like and as long as they are able to go they should. Which is the way they look at it and they might just as well enjoy life if they can.

NOTES:

I was born on a farm just outside Kirksville, Adair Co. MO, belonging to my grandparents, Henry and Laura Lowe, where my parents were living at the time. There is nothing to tell where it was, as all the buildings are gone and only the layout of the land remains.

My next home was on a farm near Bullion, MO which wasn't far from my grandparents. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there even though I wasn't 5 years of age.

The summer of 1940 we moved to Rock Island, IL where my dad thought he maybe could get a job. Making a living in MO was hard so we moved to Rock Island. We lived maybe three places while there. I went to first grade there even though I wasn't old enough. My mother told them if I couldn't do the work they could put me back but they didn't. My dad got a job at the Sturtevant Dairy and worked there until 1942 when we moved to a farm near Hillsdale, IL. He farmed and also worked at the dairy.

1945 we moved to a farm near Maysville, IA where my dad farmed on the shares. We went to the Flower Valley school in Allens Grove Twp., which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in 1980's.

Mar 1948 we moved to what was then Iowana Farms, now in Riverdale, across from the Alcoa Plant. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. I went to J.B. Young Junior High school for 9th grade in the year 1949/50, which was at Locust St and Harrison. 1950/51 I went to Davenport High School and graduated from there in 1952/53 school year, in June 1953. It was located at 12th and Harrison St. Renamed Central High School now. During High School they found out I had a heart murmur and so couldn't take gym. Didn't know what it was caused from, I had scarlet fever when I was a baby and they thought it could have been from that. Otherwise just normal things kids come down with.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until I married about a year later. That was probably my first mistake. That lasted about a year, we divorced and I went to work at the T.B. Sanitarium at Oakdale, just outside Iowa City. There I met my second husband.

We were married in Iowa City and stayed and worked at the hospital for a short while and in 1956 moved to Davenport, IA where our first child, Sheri was born. We lived several places in and around Davenport for the next 8 years. All four children were born in Davenport. We separated for a year then were divorced in 1964. I stayed in Davenport and went to work to raise the children, with the help of my parents and none from their father. 1959 I started having problems and they found I had gall stones so I had surgery to remove them and no more problems.

By Dec 1964 my luck had changed, through a mutual friend I met my third husband and every thing clicked. Third time a charm and all that. Chuck had just lost his wife and he was stationed at the Rock Island Arsenal, and was a Sargent in the Army. He had been in 14 years. He had no children and took to my three and they took to him. Looked like everything going great. We decided to get married in April and friends of both of us wanted the wedding at their home so we were married at Dixwell ST. in Davenport, IA at the home of Jim and Fern Beach, with Carl and Carol Benge standing with us. (Strange twist- Jim and Fern and Carl and Carol are divorced and Jim in NM and Carl (now deceased) and Carol in AZ., Fern in Florida). (All married to others). We will celebrate 32 years of marriage in 1997.

We went to Springfield, MA on our honeymoon, as Chuck had to go there on business. First time I had flown, and wasn't too keen on it either. We bought our first home on W. 69th St in the Ridgeview addition in Davenport. By Feb 1966 we were on our way to Germany. Chuck had been transferred to the Army Base at Friedberg, Germany for a three year tour. We went to Germany on the "USNS Gieger". We left NJ and nine days later we were in Bremerhaven port in Germany. We picked up our car and got German drivers licence and drove to Friedberg. We had the car on the boat with us so didn't have to wait for it. Another new experience, nine days on the ship was really nice after the first five days. I have the tendency of motion sickness so the first few days was unbearable but after getting Dramamine to help then really enjoyed it. Sheri and Gayle weren't too well first few days either but then they got over it and really enjoyed the experience, Larry had no problems.

There wasn't any vacant apartments on post available at the time so we rented an apartment on the Germany economy in a little town of Steinfurth, just out side Bad Nauheim, Germany, for a few months then moved into quarters in Bad Nauheim. The area around there and Frankfurt was quite pretty. We really enjoyed it there.

We were there a year then Chuck got orders to go to Murnau, Germany, which was in the southern part of Germany just outside Garmish and this area was beautiful. The mountains, the Bavarian houses, everything like we had never seen before. The kids and I really hated to leave. But another year there and Chuck got a chance to take a Commission for Warrant Officer and it was shortly after the Viet Nam war started and he knew he was going to have to go so preferred to be an Officer if he did. He received his commission and with it a year's tour in Viet Nam. He had been there three times before on TDY so he knew what to expect.

Mom and Dad came over for two weeks and we toured Germany, Austria and went into Venice, Italy and several of the Castles in Germany. This was also an experience we all enjoyed. To see the different life styles of these people was very interesting. While in Venice, I'm sure Gayle will never forget, she was about 7 and we were walking back to the car and somehow she got lost. She had stopped to look at something in one of the windows and no one noticed she was not with us until several blocks. Fortunately she had got lost just out side of the American Express office and they saw she was by herself and kept her there until we found her. She said she wasn't scared, but she was sure glad to see Chuck, when he found her.

When we were ready to come back from Germany we sent the car on ahead so when we flew into NJ we would be able to pick up the car and drive on to Davenport, after 9 hours on the plane, and not have to wait for the car a week or so.

We came back to Davenport and stayed the year while Chuck was in Viet Nam and I worked. After a year in Viet Nam, Chuck's next assignment was at Aberdeen Proving Grounds, Aberdeen, Maryland where we stayed for two years. Mom and Dad came here and spent vacation with us also. We went to Washington DC and Philidelphia, PA and surrounding areas.

During the time while in Aberdeen we found out Larry needed open heart surgery and so took him to Walter Reed Hospital and he had the surgery and was up and around, doing great after two weeks and back to school.

Also at this time I started getting interested in Genealogy. One of our neighbors told me how to get started and gave me the forms to start and that got me hooked. I didn't know how addictive it was. I have been at it since 1969 and see no end in sight. I have so many family notebooks now I can't keep them straight. With the computer it makes it a lot easier to do.

Chuck retired after 20 years in the Army from Aberdeen, MD in Nov 1971. I had brought the kids back to Davenport in July so they could start school here and not have to change schools. We hadn't decided for sure if we were going to stay here or go elsewhere after he retired but in August my dad was killed so we thought it best to stay. Chuck was going to take it easy for a while after his discharge but that didn't last and we opened the Treadway Texaco service station in Bettendorf, IA, at 12th and Grant ST. We then sold our house in Davenport and bought a house in Bettendorf, at 2008 18th ST. the first of 1972.

Several people were getting interested in Genealogy here also so in 1975 we started a Genealogy Society in Rock Island and then in Davenport, IA. I also was on a couple bowling leagues and won several trophies during the years we were back in Davenport. In Texas I had to give it up as there weren't any bowling alleys there.

We traveled some during that time and went out west and south. We had bought a 5th wheel trailer with the plans of retiring and doing some traveling. Well about 1975 Chuck started having back problems and he had to have surgery the 2nd of Nov 1976. He was in the hospital for 3 months and then he tried to run the station from home but that didn't work so we sold the station and decided to move to Texas for the warmer climate and be closer to the Army hospital. So we sold our house in April 1978 and moved to Gatesville, TX. We lived there 11 years and the last two years Chuck was in wheel chair all the time and the drive from there to here was just too much and so decided to come back to IA. We did hate to leave the area there but just thought it was the best move. Then I found out I had to have a hysterectomy. We had the house for sale for a year and so just knew we would sell the house and would be in pickle but decided to go ahead and have the surgery at Ft Hood, so May of 1989 I had the surgery and by the end of May we had sold the house and I came to Bettendorf to find one here to buy. Since there were few houses that fit our requirements with out a lot of remodeling it was beginning to look like a problem. We had to be out of our house in TX by the first of July. I finally had it narrowed down to two houses and decided on the house at 2815 Hillside Court and then had to go home and finish packing and by July 4th 1989 was on our way to Bettendorf. I had done a lot of the packing before surgery knowing I wasn't going to be able to do any lifting afterwards, so that helped.

While in TX we started a Genealogy Society in Gatesville and helped with that. For a while I was the Editor for the Quarterly and treasurer for the club. Then they started a DAR at large group and that developed into a club and I was Vice Regent of that until we left TX.

Also while in TX I took some College courses and so earned 10 college credits for Computer class, History from 1865 and a criminal justice course.

Now I am back in to the genealogy clubs here and also since we have been into computers since 1983 I have joined the local Computer group and they have workshop groups such as a genealogical group and also a WordStar and PAF which is a big help to have been keeping busy here as well. Everything seems to relate to computers and genealogy. Later changed to Word Perfect word processor so went to that sig also as well as Windows and BBS sig for while.

I have been sewing since I was a child and have sewed most of my clothes as well, these many years. I do some crafts and also crochet and knit. Genealogy takes up most of my time and so I don't do as much sewing as I would like but do find time. I also like to read and have been into photography for many years as well. Seems as though there isn't enough hours a day to do all I would like to. I've always said with so many things in this life to do there isn't any reason for anyone to be bored with life. Yet there are so many depressed people in the world that just dread to look forward to the next day. I guess I have been lucky that I keep looking forward to the next day and the next. Always with something in mind to do and hopefully many years left to do all I would like.

My height since maturity has been at 5 ft 3 and my weight varies from 125 to 145 pounds. My eyes are dark brown and my hair dark brown that started turning grey when I was in High School with a grey streak in the front so I started coloring it ever since. I started wearing glasses about 1951, needed them for distance. Then after we got back to Bettendorf I decided I needed new glasses as it had been about 4 years since I had the last exam and in Oct 1989 I went and found out I had glaucoma, fortunately it was just starting and no damage has been done. Right now only too much pressure on my eyes. So will have to take drops for the rest of my life to keep it in check. Now they find my blood pressure is too high, after all my life having low pressure. I am never sick and never get colds or the flu and always feel good all the time, except for migraine headaches which I use to have and now don't have them all that often. Don't figure to feel good all the time with so many problems.

Its times like these when genealogy comes in handy for background health history except all my grandparents and great grandparents lived before they had all the tests they do now for things. Heart problems run in the Lowe family and Grandma Lowe had cataracts and Grandma Dyer died of stroke. Her mother was blind the last several years of her life, from what we don't know? Grandpa Lowe had diabetes and Grandpa Dyer died of old age. Aunt Pearl had cancer and died because she wouldn't get help and Uncle Gale has emphysema real bad. Uncle Claude also had it. Both smoked. Aunt Lea died of heart problems and dad was killed. Uncle Floyd died of heart problems. One of his sons and one of Gale's sons had heart surgery. So definitely heart problems run in the Lowe family. Uncle Paul Dyer had cancer and Aunt Edna Dyer died of heart problems. Aunt Hazel is living with pretty good health and Mom has good health also, except for high cholesterol and arthritis. Charlie is in very good health with only cholesterol to worry about. Mine is also high and it is probably normal for our family to run higher (at least that is my thinking). I am the only one who has sinus and allergies, but usually gives me no problems. Dad had migraine headaches and I started getting them when shortly after I turned 40. Quite a few for several years then they started to not be so often. After I had the last surgery (1989) I don't have them very often at all. Grandpa Lowe also had migraine headaches. This is another thing that is hereditary they say as is glaucoma. I had one son that died with heart problems and mom and dad had a son that also died of heart problems, both died a couple days after birth. Larry hasn't had any problems since he had heart surgery and Gayle has a slight heart murmur as does her daughter, Brittany. Sheri has arthritis and a weight problem, which probably came from the Houser line. As did her grandmother Houser Miller. No problems with Jason and Caanan that we know of now.

1992--Started walking at the mall every day except Sunday the last of April. Usually walk 5 times around, which is 2 miles. Have been watching diet and finally have lost about 10 pounds. Everything is under control this year and no major setback from anything.

Have been on the road a lot this year, between going to Humboldt, IA and Quincy, IL to my Uncle's and Aunts for various reasons, Mom and I have driven there several times.

December 1991 8 of us from here flew to Salt Lake City, Utah for a weeks research at the library. October 1992 Lorraine, Janet, Donna and myself went to Ft Wayne, IN for a week of research at their library. I also went to Columbia, MO for a week in the spring to do research.

1996- This year didn't start out very good at all. I had a mammogram and they discovered something they didn't like the looks of so ran several enlarged x rays then wanted to do a needle biopsy to see if was cancerous and discovered it was so then they wanted to do a biopsy to take out the affected area which was in the right breast but not very large so could get it all this way, however they had go in a second time as didn't get all the affected area they thought then had to have 25 days of radiation to keep any cells from coming back they said. This was all very expensive as well. Champus is only insurance I have and they pay 75% of portion and I pay 25% so by time all was done it cost about \$3000.00 for me. (\$25-30.000 total charges)

1997- All went good this year for me.

He moved with his family to Hillsdale area about 1942 then Maysville, IA 1945. 1948 moved to Iowana Farms near Bettendorf and 1956 they moved to Devils Glen Road to the farm that he took over after his father was killed there in 1971.

Charlie graduated from Bettendorf High School in 1956. He went to work for Alcoa for a short time and then Sep 30, 1957 he went into the army. He went through basic training at Ft Benning, GA.

He married the first time to Ruby Collins, whom he met in high school, in FT Benning, GA. He then went to Germany and first stationed at Bamberg, Germany. 29 Aug 1959 Army Specilist 4 Charles Lowe graduated from 3rd Infantry Division of Non Commissioned Officer Academy in Kitzingen, Germany. He was assigned to a fire team in Troop C of the Divisions 7th Cavalry. Ruby went to Germany in 1958 and spent a year living in Bamberg, Germany.

After his discharge from the Army he went to work for Alcoa until 1968 then he joined the Davenport Fire Department. He will retire from there in March 1992.

They bought a house in Bettendorf, IA and then when he went to work for the fire department he had to live in Davenport, so they bought a house on W. Pleasant St. and then in 1971 they moved back to Devils Glen Road to the farm he is now living on. He has farmed there since. He also worked at Treadway Texaco with his brother in law during the time of 1972 to 1977, when he wasn't farming or at the fire department.

They adopted Mark when he was a baby and when Charlie and Ruby got a divorce in 1976 Mark stayed with Charlie. She left first in Mar 1976 then came back and then left again in Oct 1976. She took Mark with her but he wanted to stay with his father.

He likes to go snowmobileing in the winter and motorcycleing in the summer. He also goes square dancing and round dancing several nights a week when he isn't working. He also finds time to help every one that asks him for help. He has been a lifesaver to us since we have been back. He also bowls and plays golf. He is a lot like his dad was, never able to sit still a minute. Always doing something, never idle a minute. Maybe that is what keeps him in good health. He comes over to see Chuck about every day that he isn't working and that sure helps Chuck as he doesn't get out much to see anyone.

He bought a motor home and has been going out with it and planning on retiring in Mar 1992 and traveling quite a lot. He has spent two winters in Mesa, AZ 1994-5 and 1995-6 and will also be there in 1996-7. Oct to Apr 1996-7 will be the longest time spent.

Mark had graduated from high school and went to Nashville, TN for a year to go to trade school and then he lived at home with Charlie until he retired and sold the farm and moved to a house in Rock Island. Maysville, IA where he farmed shares with Mr Art Meints on his farm. By Mar 1947 they moved to Bettendorf, IA to what was then called Iowana Farms, now the town of Riverdale, across from the Alcoa Plant. He rented land there and also worked at the Iowana Farms Dairy in Bettendorf. Their third child, Marion Dale was born 1952 while living there. They moved from there when the land was sold 1954 and moved to Devils Glen Road in Bettendorf, where he rented a farm and was living there when he was killed in Aug 1971.

Rovene bought a house in Bettendorf at 2509 Glenn St. and lived there until she remarried and moved to the farm that Harold owned outside Pleasant Valley, IA. Charles moved onto the farm and rented it from then until now. They moved back to the house on Glenn St when Harold's son married and lived there until 1989 when they bought the house on Summit Hills Dr.

Rovene worked outside the home also in several of the bigger Department stores in Davenport and Bettendorf in later years. She worked at Bishops Cafeteria after the death of Willard for a few years.

She and Willard traveled quite a lot during the years. Taking the children and going on vacation about every summer somewhere. They both liked to fish and went north fishing a lot as well as West to the mountains. Usually camped in the early years. They went to Murnau, Germany to visit their daughter in 1966 and they did enjoy that. They also traveled thru Germany, Austria, to Venice Italy and back to Germany. Seeing Castles and the different life style was quite interesting. That two weeks went by all too fast. They went to the east coast while they lived there and visited Washington DC and Philadelphia, PA. after Willard's death Rovene went on a trip to Hawaii which she enjoyed also.

Rovene also like to sew and make crafts, crocket and read. She also liked to dance and they liked to play cards. They are't able to dance too well because of health problems but she and Harold like to play cards. They have several card clubs they belong to and she plays cards three to four times a week. She has always been interested in belonging to clubs and helping when she can. Stanted with PTA and then to 4-H and was leader of 4-H for several years. She also belongs to Farm Bureau and had been in Eastern Star when Willard was a 32nd Degree Mason. She has held offices in most clubs she has been in and now is president of the Leidertafel Ladies card club for two years. Fortunately her health has been good except for some arteritis problems.

Harold goes to his farm everyday and helps out there so she goes to card clubs. That way they both do what they like and as long as they are able to go they should. Which is the way they look at it and they might just as well enjoy life if they can.

DAVENPORT - Harold G. Schurr, a life-long Scott County farmer and a resident of Davenport, died on Thursday, July 3, 2008, at Trinity Pathway Hospice in Bettendorf.

Even though farming was his "favorite" activity, Harold also took great pleasure in gardening, enjoyed going to the Scott County Fair and liked to attend farm auctions. He also had a special interest in antique tractors. Harold loved to dance on Wednesday and Saturday nights at Fairyland or the Col Ballroom and spent many enjoyable evenings playing cards with his many friends. Those left to honor his memory include his wife, Rovene; his daughter, Karen (Steve) Peterson, of Hudson, Wisconsin; his sons, Harlen (Linda) Schurr, of Davenport and Gary (Lynn) Schurr, of Grand Mound, Iowa; his stepdaughter, Gladys Treadway, of Bettendorf; his stepson, Charles Lowe, of Rock Island; 14 grandchildren; nine great-grandchildren; four great-great-grandchildren; his sister, Marian Hamann, of Eldridge, Iowa; and many other relatives and wonderful friends. Cash for grades causes dispute

DEAR ANNIE: My daughter has two kids, ages 9 and 5. My husband and I saw the 5-year-old's report card, and we gave her a dollar. We also saw our 9-year-old grandson's report card, which was excellent, so we gave him \$5. He was so excited.

The following week, our daughter returned \$4 of the money we had given her son. She told me that both children should receive the same amount. I was devastated that she took a gift away from our grandson. I told her that since he is going into fourth grade, he should be given more than his younger sister.

My husband feels that our daughter's generation is changing things by giving each child the same gift, regardless of the occasion. I know our granddaughter

Worked for Sears, Hoover Co. and several others. Tried working at a factory and didn't like it at all. Moved around Davenport, for about 8 years. Divorced in 1964 and he went back to Iowa City and then to Atlanta, GA for a while. He married 2nd time to Loretta and had a daughter. They divorced and he married 3rd and had a daughter and they divorced. He came back to Iowa City and worked different places then worked in Muscatine, IA for a while at a factory and then moved to near Tipton, IA where he opened a greenhouse.

WIFE Gladys LaVon LOWE-1

NOTES:

I was born on a farm just outside Kirksville, Adair Co. MO, belonging to my grandparents, Henry and Laura Lowe, where my parents were living at the time. There is nothing to tell where it was, as all the buildings are gone and only the layout of the land remains.

My next home was on a farm near Bullion, MO which wasn't far from my grand parents. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there even though I wasn't 5 years of age.

The summer of 1940 we moved to Rock Island, IL where my dad thought he maybe could get a job. Making a living in MO was hard so we moved to Rock Island. We lived maybe three places while there. I went to first grade there even though I wasn't old enough. My mother told them if I couldn't do the work they could put me back but they didn't. My dad got a job at the Sturtevant Dairy and worked there until 1942 when we moved to a farm near Hillsdale, IL. He farmed and also worked at the dairy.

1945 we moved to a farm near Maysville, IA where my dad farmed on the shares. We went to the Flower Valley school in Allens Grove Twp., which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in 1980's.

Mar 1948 we moved to what was then Iowana Farms, now in Riverdale, across from the Alcoa Plant. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. I went to J.B. Young Junior High School for 9th grade in the year 1949/50, which was at Locust St and Harrison. 1950/51 I went to Davenport High School and graduated from there in 1952/53 school year, in June 1953. It was located at 12th and Harrison St. Renamed Central High School now. During High School they found out I had a heart murmur and so couldn't take gym. Didn't know what it was caused from, I had scarlet fever when I was a baby and they thought it could have been from that. Otherwise just normal things kids come down with.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until I married about a year later. That was probably my first mistake. That lasted about a year, we divorced and I went to work at the T.B. Sanitarium at Oakdale, just outside Iowa City. There I met my second husband.

We were married in Iowa City and stayed and worked at the hospital for a short while and in 1956 moved to Davenport, IA where our first child, Sheri was born. We lived several places in and around Davenport for the next 8 years. All four children were born in Davenport. We separated for a year then were divorced in 1964. I stayed in Davenport and went to work to raise the children, with the help of my parents and none from their father. 1959 I started having problems and they found I had gall stones so I had surgery to remove them and no more problems.

By Dec 1964 my luck had changed, through a mutual friend I met my third husband and every thing clicked. Third time a charm and all that. Chuck had just lost his wife and he was stationed at the Rock Island Arsenal, and was a Sargent in the Army. He had been in 14 years. He had no children and took to my three and they took to him. Looked like everything going great. We decided to get married in April and friends of both of us wanted the wedding at their home so we were married at Dixwell St. in Davenport, IA at the home of Jim and Fern Beach, with Carl and Carol Bengé standing with us. (Strange twist- Jim and Fern and Carl and Carol are divorced and Jim in NM and Carl (now deceased) and Carol in AZ., Fern in Florida). (All married to others). We will celebrate 32 years of marriage in 1997.

We went to Springfield, MA on our honeymoon, as Chuck had to go there on business. First time I had flown, and wasn't too keen on it either. We bought our first home on W. 69th St in the Ridgeview addition in Davenport. By Feb 1966 we were on our way to Germany. Chuck had been transferred to the Army Base at Friedberg, Germany for a three year tour. We went to Germany on the "USNS Gieger". We left NJ and nine days later we were in Bremerhaven port in Germany. We picked up our car and got German drivers licence and drove to Friedberg. We had the car on the boat with us so didn't have to wait for it. Another new experience, nine days on the ship was really nice after the first five days. I have the tendency of motion sickness so the first few days was unbearable but after getting Dramamine to help then really enjoyed it. Sheri and Gayle weren't too well first few days either but then they got over it and really enjoyed the experience, Larry had no problems.

There wasn't any vacant apartments on post available at the time so we rented an apartment on the Germany economy in a little town of Steinfurth, just outside Bad Nauheim, Germany, for a few months then moved into quarters in Bad Nauheim. The area around there and Frankfurt was quite pretty. We really enjoyed it there.

We were there a year then Chuck got orders to go to Murnau, Germany, which was in the southern part of Germany just outside Garmish and this area was beautiful. The mountains, the Bavarian houses, everything like we had never seen before. The kids and I really hated to leave. But another year there and Chuck got a chance to take a Commission for Warrant Officer and it was shortly after the Viet Nam war started and he knew he was going to have to go so preferred to be an Officer if he did. He received his commission and with it a year's tour in Viet Nam. He had been there three times before on TDY so he knew what to expect.

Mom and Dad came over for two weeks and we toured Germany, Austria and went into Venice, Italy and several of the Castles in Germany. This was also an experience we all enjoyed. To see the different life styles of these people was very interesting. While in Venice, I'm sure Gayle will never forget, she was about 7 and we were walking back to the car and somehow she got lost. She had stopped to look at something in one of the windows and no one noticed she was not with us until several blocks. Fortunately she had got lost just out side of the American Express office and they saw she was by herself and kept her there until we found her. She said she wasn't scared, but she was sure glad to see Chuck, when he found her.

When we were ready to come back from Germany we sent the car on ahead so when we flew into NJ we would be able to pick up the car and drive on to Davenport, after 9 hours on the plane, and not have to wait for the car a week or so.

We came back to Davenport and stayed the year while Chuck was in Viet Nam and I worked. After a year in Viet Nam, Chuck's next assignment was at Aberdeen Proving Grounds, Aberdeen, Maryland where we stayed for two years. Mom and Dad came here and spent vacation with us also. We went to Washington DC and Philadelphia, PA and surrounding areas.

During the time while in Aberdeen we found out Larry needed open heart surgery and so took him to Walter Reed Hospital and he had the surgery and was up and around, doing great after two weeks and back to school.

Also at this time I started getting interested in Genealogy. One of our neighbors told me how to get started and gave me the forms to start and that got me hooked. I didn't know how addictive it was. I have been at it since 1969 and see no end in sight. I have so many family notebooks now I can't keep them straight. With the computer it makes it a lot easier to do.

Chuck retired after 20 years in the Army from Aberdeen, MD in Nov 1971. I had brought the kids back to Davenport in July so they could start school here and not have to change schools. We hadn't decided for sure if we were going to stay here or go elsewhere after he retired but in August my dad was killed so we thought it best to stay. Chuck was going to take it easy for a while after his discharge but that didn't last and we opened the Treadway Texaco service station in Bettendorf, IA, at 12th and Grant ST. We then sold our house in Davenport and bought a house in Bettendorf, at 2008 18th ST. the first of 1972.

Several people were getting interested in Genealogy here also so in 1975 we started a Genealogy Society in Rock Island and then in Davenport, IA. I also was on a couple bowling leagues and won several trophies during the years we were back in Davenport. In Texas I had to give it up as there weren't any bowling alleys there.

We traveled some during that time and went out west and south. We had bought a 5th wheel trailer with the plans of retiring and doing some traveling. Well about 1975 Chuck started having back problems and he had to have surgery the 2nd of Nov 1976. He was in the hospital for 3 months and then he tried to run the station from home but that didn't work so we sold the station and decided to move to Texas for the warmer climate and be closer to the Army hospital. So we sold our house in April 1978 and moved to Gatesville, TX. We lived there 11 years and the last two years Chuck was in wheel chair all the time and the drive from there to here was just too much and so decided to come back to IA. We did hate to leave the area there but just thought it was the best move. Then I found out I had to have a hysterectomy. We had the house for sale for a year and so just knew we would sell the house and would be in pickle but decided to go ahead and have the surgery at Ft Hood, so May of 1989 I had the surgery and by the end of May we had sold the house and I came to Bettendorf to find one here to buy. Since there were few houses that fit our requirements with out a lot of remodeling it was beginning to look like a problem. We had to be out of our house in TX by the first of July. I finally had it narrowed down to two houses and decided on the house at 2815 Hillside Court and then had to go home and finish packing and by July 4th 1989 was on our way to Bettendorf. I had done a lot of the packing before surgery knowing I wasn't going to be able to do any lifting afterwards, so that helped.

While in TX we started a Genealogy Society in Gatesville and helped with that. For a while I was the Editor for the Quarterly and treasurer for the club. Then they started a DAR at large group and that developed into a club and I was Vice Regent of that until we left TX.

Also while in TX I took some College courses and so earned 10 college credits for Computer class, History from 1865 and a criminal justice course.

Now I am back in to the genealogy clubs here and also since we have been into computers since 1983 I have joined the local Computer group and they have workshop groups such as a genealogical group and also a WordStar and PAF which is a big help to have been keeping busy here as well. Everything seems to relate to computers and genealogy. Later changed to Word Perfect word processor so went to that sig also as well as Windows and BBS sig for while.

I have been sewing since I was a child and have sewed most of my clothes as well, these many years. I do some crafts and also crochet and knit. Genealogy takes up most of my time and so I don't do as much sewing as I would

like but do find time. I also like to read and have been into photography for many years as well. Seems as though there isn't enough hours a day to do all I would like to. I've always said with so many things in this life to do there isn't any reason for anyone to be bored with life. Yet there are so many depressed people in the world that just dread to look forward to the next day. I guess I have been lucky that I keep looking forward to the next day and the next. Always with something in mind to do and hopefully many years left to do all I would like.

My height since maturity has been at 5 ft 3 and my weight varies from 125 to 145 pounds. My eyes are dark brown and my hair dark brown that started turning grey when I was in High School with a grey streak in the front so I started coloring it ever since. I started wearing glasses about 1951, needed them for distance. Then after we got back to Bettendorf I decided I needed new glasses as it had been about 4 years since I had the last exam and in Oct 1989 I went and found out I had glaucoma, fortunately it was just starting and no damage has been done. Right now only too much pressure on my eyes. So will have to take drops for the rest of my life to keep it in check. Now they find my blood pressure is too high, after all my life having low pressure. I am never sick and never get colds or the flu and always feel good all the time, except for migraine headaches which I use to have and now don't have them all that often. Don't figure to feel good all the time with so many problems.

Its times like these when genealogy comes in handy for background health history except all my grandparents and great grandparents lived before they had all the tests they do now for things. Heart problems run in the Lowe family and Grandma Lowe had cataracts and Grandma Dyer died of stroke. Her mother was blind the last several years of her life, from what we don't know? Grandpa Lowe had diabetes and Grandpa Dyer died of old age. Aunt Pearl had cancer and died because she wouldn't get help and Uncle Gale has emphysema real bad. Uncle Claude also had it. Both smoked. Aunt Lea died of heart problems and dad was killed. Uncle Floyd died of heart problems. One of his sons and one of Gale's sons had heart surgery. So definitely heart problems run in the Lowe family. Uncle Paul Dyer had cancer and Aunt Edna Dyer died of heart problems. Aunt Hazel is living with pretty good health and Mom has good health also, except for high cholesterol and arthritis. Charlie is in very good health with only cholesterol to worry about. Mine is also high and it is probably normal for our family to run higher (at least that is my thinking). I am the only one who has sinus and allergies, but usually gives me no problems. Dad had migraine headaches and I started getting them when shortly after I turned 40. Quite a few for several years then they started to not be so often. After I had the last surgery (1989) I don't have them very often at all. Grandpa Lowe also had migraine headaches. This is another thing that is hereditary they say as is glaucoma. I had one son that died with heart problems and mom and dad had a son that also died of heart problems, both died a couple days after birth. Larry hasn't had any problems since he had heart surgery and Gayle has a slight heart murmur as does her daughter, Brittany. Sheri has arthritis and a weight problem, which probably came from the Houser line. As did her grandmother Houser Miller. No problems with Jason and Caanan that we know of now.

1992--Started walking at the mall every day except Sunday the last of April. Usually walk 5 times around, which is 2 miles. Have been watching diet and finally have lost about 10 pounds. Everything is under control this year and no major setback from anything.

Have been on the road a lot this year, between going to Humboldt, IA and Quincy, IL to my Uncle's and Aunts for various reasons, Mom and I have driven there several times.

December 1991 8 of us from here flew to Salt Lake City, Utah for a weeks research at the library. October 1992 Lorraine, Janet, Donna and myself went to Ft Wayne, IN for a week of research at their library. I also went to Columbia, MO for a week in the spring to do research.

1996- This year didn't start out very good at all. I had a mammogram and they discovered something they didn't like the looks of so ran several enlarged x rays then wanted to do a needle biopsy to see if was cancerous and discovered it was so then they wanted to do a biopsy to take out the affected area which was in the right breast but not very large so could get it all this way, however they had go in a second time as didn't get all the affected area they thought then had to have 25 days of radiation to keep any cells from coming back they said. This was all very expensive as well. Champus is only insurance I have and they pay 75% of portion and I pay 25% so by time all was done it cost about \$3000.00 for me. (\$25-30.000 total charges)

1997- All went good this year for me.

NOTES:

BIRTH: Birth certificate. Born Davenport, IA.

Sheri never married.

She started school in Davenport, IA and went to school in Bad Nauheim, Germany and then Murnau, Germany, each a year. She picked up German pretty easy and went on in high school to take different languages, French, Spanish and German.

Her first big experience was going to Germany on the ship "USNS Gieger" which took 9 days. Two years later flew back from Germany on plane that took 9 hours.

She graduated from Bettendorf High School in Jan 1977 and went to Scott Co. Community college and graduated there 1978 in Accounting.

She went to Iowa City in June 1978 to have Jason at the University Hospital.

Sheri had so many jobs over the years that I haven't been able to keep up with them. After graduation she lived at 1820 1st St. Rock Island and worked as an accountant for L.S. Murchie & Co. at the Moline Bank Bldg, Moline, IL. By Dec 1978 she moved to Iowa City to her father's and went to work at Shellor Globe Factory with Gayle and her dad. They didn't stay there very long and came back to Davenport. They got an apartment and worked for a while then Sheri and Jason went to Duluth, WI where Sheri had a friend and stayed there for a while working.

About 1981 Sheri, Jason and Gayle came to Gatesville, TX. Sheri worked in Waco for short time then went on to Dallas and worked at different jobs. Mostly in insurance. She came back to Waco for short time then went to San Antonio, TX and got a good job with an insurance company. Best paying job she had had. She didn't stay there long and by 1988 we had decided to come back to Iowa and she wanted to as well. She came back in 1988 and couldn't find a job here so she moved back to Duluth, WI and then on to Virginia, MN where she is now living. She was manager of Hardee's there for a while then started having trouble with Jason so she had to quite work, trying to be there and help him.

They both went into therapy and has helped. They are thinking of coming back here again this summer (1991).

1992--Sheri and Jason still live in Virginia, MO and doing as well as can I guess. They decided to stay there instead of coming back here. Sheri is working and Jason is going to school. Jason had spent the past year in a home in Duluth, trying to get straightened out, maybe has helped.

1997 Update-- Sheri has been on disability for over two years now as they found out she had chronic fatigue syndrome which is life long thing. She may have a good day and as many bad days of just not feeling good at all. She isn't able to do much so wasn't able to work at all. She bought a house in Virginia last year and just going from day to day. She has always had a problem with her weight and was able to lose abt 70 pounds this past year in hopes that would help her health but it didn't do much for it. She does feel better with the weight off however.

Jason is working and has his own apartment.

CHILD 2 Larry Martin HOUSER-8

NOTES:

BIRTH: Birth certificate from Scott Co. and hospital.

MARRIAGE: Mq record and article from newspaper.

Larry started school in Davenport, IA then went to school in Bad Nauheim, Germany for a year then Murnau, Germany for a year. Larry quit school early and went to SD to Job Corps training and learned Waste Water Treatment and forestry. He was in Joplin, MO for a while working then came back to IA. He had done other jobs then, hanging dry wall and working at a greenhouse.

He met and married Becky at the Berean Baptist Church on 13th & Clark St in Davenport, IA. The reception was held at her parents home after the wedding at 1441 N. Lincoln. The wedding rehearsal supper was given by the grooms parents and held Friday night 25 Nov, 1977 at Chef's Hat on West Locust St. A shower was also given for Becky at the home of the maid of honor 15 Nov. 1977.

They were living in an apartment on Vogel Ct., Devils Glen Rd at first. By Jan 1, 1978 they moved into their home at 1425 Ohio in Davenport. Becky had been working at the Good Samaritan Nursing Home for some time and then by Aug 1978 she started working at the Royal Neighbors Nursing Home.

1977 Larry was working at the Waste Water Treatment plant in Davenport and then got layed off and went to work at Treadway Texaco for a while then put up dry wall off and on. He probably liked that better then anything he has done. He has done it the longest.

They went to Florida, where he was working for a while then came to Texas for a while and lived in Dallas and worked about 1982 then went to Arizona for short time and back to Davenport by 1985. Larry worked around Davenport and Chicago and had gone to PA to work once in a while. They were living at Becky's parents home while in Davenport and by 1989 they had decided to get a divorce. Becky remarried about a year after. Larry has not yet.

Larry went to Hazelton, PA area to work and has been there since. He likes the area real well and usually enough work to keep him busy.

1992--Larry is still living in Hazelton, PA with Diane and her two children. He has had different jobs, but still goes back to Dry wall. He hasn't been back since May 1991, when he and Diane came back for a week.

1997 Update--Larry came back to Bettendorf, IA in Feb 1997. Where he lived with Gayle for a while then finally got work and Gayle moved to different apt. so he kept her apartment. He has been keeping busy with work most of the time.

CHILD 3 Gayle Renee' HOUSER-9

NOTES:

BIRTH: Birth certificate, born Davenport IA hospital.

MARRIAGE: Marriage licence, article of engagement and wedding from Gatesville paper. All under Lowe family Book.

DIVORCE: Divorce from Davenport, Scott Co. IA. 1990.

Gayle quit school 3 months before she was to graduate from Bettendorf, IA. Left home and worked at so many jobs, can't keep up with them. But while in Texas she took her GED and received her high school diploma.

She had a baby girl when she was 16 in 1976 and gave it up for adoption. The father was Daniel Gentiel. They were living together but decided not to marry.

She worked at Ross's restaurant for about 3 years during this time.

Jul 1977 she sent to Iowa City where she went to work for Shellor Globe Factory and lived with her grandparents for a while then got an apartment. Her sister, Sheri and Jason went there in Dec 1978 and went to work also there.

They came back to Davenport and worked for a while before they came to Texas in 1981. Sheri went to Dallas and Gayle stayed in Gatesville where she met Randy.

She has had a drinking problem since before she was 16 and she can't be convinced she has a problem. She had lost her licence a couple times and wrecked her car and had to pay fines and just drifted from one job to another, all because of her drinking, before moving to Texas. Every once in a while she says she is okay, but track record shows different.

Was hoping in Texas she would work it out but it didn't last. She and Randy married at our house in Gatesville on Valentines Day in 1982 and they moved into the house Randy was living. He had bought the house from his brothers after his mother died and was living there and working for Dr Pepper.

He was a workaholic and worked long hours and left Gayle a lot of time and that didn't help her problem. She worked during that time also.

She had Caanan in the Gatesville hospital and things went along for a while. Brittany came along two years later and they thought the house was getting too small so decided to buy a larger one. Randy still working long hours and Gayle with the two kids, still created problems.

May 1987 Gayle went to the Shick Center in Ft Worth for 10 days with follow ups every so often. Did help for a while but by July she decided to move to Copporas Cove and went to work at the Ft Hood commissary. That didn't last long and she came back and they tried to work things out, but they didn't so Gayle decided to come back to Iowa so I drove her back in Nov 1987. She went into a rehabilitation center her for six weeks which helped for a while. She started going to AA and that helped. She went to work and she and Sheri had an apartment together again for a while until Sheri went to Duluth.

Gayle had met Thom Parmer and they moved to Park View in Eldridge and hopefully she was better but still had setbacks. Thom did also so don't know if that was the way to go. She missed the kids so she and Randy decided Gayle would keep them during school and Randy during the summer. That didn't help either so she sent them back to Randy until summer and then he brought them back here and she has had them since last summer and they are going to California this summer and Gayle is getting an apartment and maybe the kids will stay in CA for the next school year. Sheri was planning on coming back so looks like they will get an apartment together for a while again. That never last either.

Gayle had went to school taking computer courses but really didn't like it to well. She didn't think they were teaching her what she needed to know. She worked for Thom different times. He had his own Insurance business and she helped in his office during job breaks of her own, and while going to school.

Gayle started working on the Diamond Lady riverboat as bartending the first of April when we got gambling and river boats. How long she will stay there also is a question. (1991)

1992--Gayle worked on the Diamond Lady until fall of 1991 when they started cutting her hours and she had moved in with a friend in Bettendorf and then worked at different jobs this year. She had to go to CA in early summer for some court action with the kids, but they were able to come for two months this summer. Gayle moved back in with Thom in Oct and are planning on the kids coming for Xmas this year. She is suppose to get the kids next summer then for two years, then they go back to their father for two years. Don't know how that will work, but the court in CA says it does. She has been doing real good this past few months, maybe there is hope for her yet.

Shortly after that Gayle moved to CA for two years but just didn't like it so she moved back to Bettendorf. Started working at Ross's Restaurant and has been there since.

1997 Update-- Gayle has been having Caanan and Brittany here every summer for month or so, rest of time they stay with their father in CA. She moved into an apartment in Bettendorf then started working for Ross's and has been there now abt two years. She was living downtown but now she is living in apartments on Hawthorne Dr. Larry is renting her old apt downtown.

This past Febuary she was contacted by her daughter she gave up for adoption and she was living in AZ and came to visit here in March and again in July when Caanan and Brittany were here. Misty was 21 in Dec. and she is married and has a son Travis Perry. It is amazing how much Misty looks like Gayle did and various ages and even Brittany looks so much like her and her mother.

HUSBAND Charles Lee TREADWAY [Ret CW2]-11

NOTES:

BIRTH: Info from Charles.

MARRIAGE1: info from Charles.

MARRIAGE2: Info from marriage record and personal knowledge.

He went by Charlie from his family and friends called him Chuck.

He was born in Cass Co. IL on a farm. His parents moved around different places in Cass and Fulton Co. when he was young. He was 14 when his father died and he was oldest so he had to help with the family.

He went into the Army in 1951 and was married first in 1953 and he and his first wife traveled thru their 11 years of marriage. She died in 1964.

He was stationed at the Rock Island, Arsenal at that time. We met thru a mutual friend and married in 1965. Our life is written under my information.

Chuck was in Korea shortly after he went into service then was in Viet Nam three times and Santa Domingo and traveled many places. Besides two tours in Germany and 5 years earlier in Ft Hood, TX. He had a high classification and secret clearance many years. His work was highly confident & confidential much of the time. He received the Purple Heart and 3 Comendation Medals. Besides numerous other awards thru out his 20 years. He was an instructor for 5 years in Texas and then in Germany. Worked in Armament at Rock Island, Arsenal.

After retirement from Army he had the Treadway Texaco service station and then had two semi trucks as well. Then in 1976 he had back surgery and that ended his work. We decided to move to Texas where the weather was a little warmer and be closer to Ft Hood hospital but his condition was such that he really didn't need much care at first, then later really nothing could be done. At first he was able to walk and get around but as time went on he got so he could not get around as well and was walking less and less. The last three years he hasn't walked at all. He gets around in a three wheel mobility scooter. He stopped driving then also.

He got interested in computers and so was able to spend the days doing something of interest. He can't stay at anything very long at a time.

1992--Past year has not been too bad. He hasn't had anything more then the usual pain he lives with all the time. Probably getting a little worse as years go by. He had developed a kidney infection that has bothered him most of this year and will probably have to take medication from now on because of it.

1992-1996 has had several bad spells of one thing or another during the years.

1997- Spent 3 months in hospital March 17-June 10. First with several different infections then had a sore that wouldn't heal and had to have reconstructive surgery to heal that. So he was in bed after that for a while and also before had to be bedfast for few months. Then was in hospital 6 days with pneumonia over this birthday in Sept.

OTHER MARRIAGES:

Charlotte Jean HENDRICKSON-12 (MRIN:4)
Married: 1951 IL

WIFE Gladys LaVon LOWE-1

NOTES:

I was born on a farm just outside Kirksville, Adair Co. MO, belonging to my grandparents, Henry and Laura Lowe, where my parents were living at the time. There is nothing to tell where it was, as all the buildings are gone and only the layout of the land remains.

My next home was on a farm near Bullion, MO which wasn't far from my grand parents. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there even though I wasn't 5 years of age.

The summer of 1940 we moved to Rock Island, IL where my dad thought he maybe could get a job. Making a living in MO was hard so we moved to Rock Island. We lived maybe three places while there. I went to first grade there even though I wasn't old enough. My mother told them if I couldn't do the work they could put me back but they didn't. My dad got a job at the Sturtevant Dairy and worked there until 1942 when we moved to a farm near Hillsdale, IL. He farmed and also worked at the dairy.

1945 we moved to a farm near Maysville, IA where my dad farmed on the shares. We went to the Flower Valley school in Allens Grove Twp., which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in 1980's.

Mar 1948 we moved to what was then Iowana Farms, now in Riverdale, across from the Alcoa Plant. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. I went to J.B. Young Junior High school for 9th grade in the year 1949/50, which was at Locust St and Harrison. 1950/51 I went to Davenport High School and graduated from there in 1952/53 school year, in June 1953. It was located at 12th and Harrison St. Renamed Central High School now. During High School they found out I had a heart murmur and so couldn't take gym. Didn't know what it was caused from, I had scarlet fever when I was a baby and they thought it

could have been from that. Otherwise just normal things kids come down with.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until I married about a year later. That was probably my first mistake. That lasted about a year, we divorced and I went to work at the T.B. Sanitarium at Oakdale, just outside Iowa City. There I met my second husband.

We were married in Iowa City and stayed and worked at the hospital for a short while and in 1956 moved to Davenport, IA where our first child, Sheri was born. We lived several places in and around Davenport for the next 8 years. All four children were born in Davenport. We separated for a year then were divorced in 1964. I stayed in Davenport and went to work to raise the children, with the help of my parents and none from their father. 1959 I started having problems and they found I had gall stones so I had surgery to remove them and no more problems.

By Dec 1964 my luck had changed, through a mutual friend I met my third husband and every thing clicked. Third time a charm and all that. Chuck had just lost his wife and he was stationed at the Rock Island Arsenal, and was a Sargent in the Army. He had been in 14 years. He had no children and took to my three and they took to him. Looked like everything going great. We decided to get married in April and friends of both of us wanted the wedding at their home so we were married at Dixwell ST. in Davenport, IA at the home of Jim and Fern Beach, with Carl and Carol Bengé standing with us. (Strange twist- Jim and Fern and Carl and Carol are divorced and Jim in NM and Carl (now deceased) and Carol in AZ., Fern in Florida). (All married to others). We will celebrate 32 years of marriage in 1997.

We went to Springfield, MA on our honeymoon, as Chuck had to go there on business. First time I had flown, and wasn't too keen on it either. We bought our first home on W. 69th St in the Ridgeview addition in Davenport. By Feb 1966 we were on our way to Germany. Chuck had been transferred to the Army Base at Friedberg, Germany for a three year tour. We went to Germany on the "USNS Gieger". We left NJ and nine days later we were in Bremerhaven port in Germany. We picked up our car and got German drivers licence and drove to Friedberg. We had the car on the boat with us so didn't have to wait for it. Another new experience, nine days on the ship was really nice after the first five days. I have the tendency of motion sickness so the first few days was unbearable but after getting Dramamine to help then really enjoyed it. Sheri and Gayle weren't too well first few days either but then they got over it and really enjoyed the experience, Larry had no problems.

There wasn't any vacant apartments on post available at the time so we rented an apartment on the Germany economy in a little town of Steinfurth, just out side Bad Nauheim, Germany, for a few months then moved into quarters in Bad Nauheim. The area around there and Frankfort was quite pretty. We really enjoyed it there.

We were there a year then Chuck got orders to go to Murnau, Germany, which was in the southern part of Germany just outside Garmish and this area was beautiful. The mountains, the Bavarian houses, everything like we had never seen before. The kids and I really hated to leave. But another year there and Chuck got a chance to take a Commission for Warrant Officer and it was shortly after the Viet Nam war started and he knew he was going to have to go so preferred to be an Officer if he did. He received his commission and with it a year's tour in Viet Nam. He had been there three times before on TDY so he knew what to expect.

Mom and Dad came over for two weeks and we toured Germany, Austria and went into Venice, Italy and several of the Castles in Germany. This was also an experience we all enjoyed. To see the different life styles of these people was very interesting. While in Venice, I'm sure Gayle will never forget, she was about 7 and we were walking back to the car and somehow she got lost. She had stopped to look at something in one of the windows and no one noticed she was not with us until several blocks. Fortunately she had got lost just out side of the American Express office and they saw she was by herself and kept her there until we found her. She said she wasn't scared, but she was sure glad to see Chuck, when he found her.

When we were ready to come back from Germany we sent the car on ahead so when we flew into NJ we would be able to pick up the car and drive on to Davenport, after 9 hours on the plane, and not have to wait for the car a week or so.

We came back to Davenport and stayed the year while Chuck was in Viet Nam and I worked. After a year in Viet Nam, Chuck's next assignment was at Aberdeen Proving Grounds, Aberdeen, Maryland where we stayed for two years. Mom and Dad came here and spent vacation with us also. We went to Washington DC and Philadelphia, PA and surrounding areas.

During the time while in Aberdeen we found out Larry needed open heart surgery and so took him to Walter Reed Hospital and he had the surgery and was up and around, doing great after two weeks and back to school.

Also at this time I started getting interested in Genealogy. One of our neighbors told me how to get started and gave me the forms to start and that got me hooked. I didn't know how addictive it was. I have been at it since 1969 and see no end in sight. I have so many family notebooks now I can't keep them straight. With the computer it makes it a lot easier to do.

Chuck retired after 20 years in the Army from Aberdeen, MD in Nov 1971. I had brought the kids back to Davenport in July so they could start school here and not have to change schools. We hadn't decided for sure if we were going to stay here or go elsewhere after he retired but in August my dad was killed so we thought it best to stay. Chuck was going to take it easy for a while after his discharge but that didn't last and we opened the Treadway Texaco service station in Bettendorf, IA, at 12th and Grant ST. We then sold our house in Davenport and bought a house in Bettendorf, at 2008 18th ST. the first of 1972.

Several people were getting interested in Genealogy here also so in 1975 we started a Genealogy Society in Rock Island and then in Davenport, IA. I also was on a couple bowling leagues and won several trophies during the years we were back in Davenport. In Texas I had to give it up as there weren't any bowling alleys there.

We traveled some during that time and went out west and south. We had bought a 5th wheel trailer with the plans of retiring and doing some traveling. Well about 1975 Chuck started having back problems and he had to have surgery the 2nd of Nov 1976. He was in the hospital for 3 months and then he tried to run the station from home but that didn't work so we sold the station and decided to move to Texas for the warmer climate and be closer to the Army hospital. So we sold our house in April 1978 and moved to Gatesville, TX. We lived there 11 years and the last two years Chuck was in wheel chair all the time and the drive from there to here was just too much and so decided to come back to IA. We did hate to leave the area there but just thought it was the best move. Then I found out I had to have a hysterectomy. We had the house for sale for a year and so just knew we would sell the house and would be in pickle but decided to go ahead and have the surgery at Ft Hood, so May of 1989 I had the surgery and by the end of May we had sold the house and I came to Bettendorf to find one here to buy. Since there were few houses that fit our requirements with out a lot of remodeling it was beginning to look like a problem. We had to be out of our house in TX by the first of July. I finally had it narrowed down to two houses and decided on the house at 2815 Hillside Court and then had to go home and finish packing and by July 4th 1989 was on our way to Bettendorf. I had done a lot of the packing before surgery knowing I wasn't going to be able to do any lifting afterwards, so that helped.

While in TX we started a Genealogy Society in Gatesville and helped with that. For a while I was the Editor for the Quarterly and treasurer for the club. Then they started a DAR at large group and that developed into a club and I was Vice Regent of that until we left TX.

Also while in TX I took some College courses and so earned 10 college credits for Computer class, History from 1865 and a criminal justice course.

Now I am back in to the genealogy clubs here and also since we have been into computers since 1983 I have joined the local Computer group and they have workshop groups such as a genealogical group and also a WordStar and PAF which is a big help to have been keeping busy here as well. Everything seems to relate to computers and genealogy. Later changed to Word Perfect word processor so went to that sig also as well as Windows and BBS sig for while.

I have been sewing since I was a child and have sewed most of my clothes as well, these many years. I do some crafts and also crochet and knit. Genealogy takes up most of my time and so I don't do as much sewing as I would like but do find time. I also like to read and have been into photography for many years as well. Seems as though there isn't enough hours a day to do all I would like to. I've always said with so many things in this life to do there isn't any reason for anyone to be bored with life. Yet there are so many depressed people in the world that just dread to look forward to the next day. I guess I have been lucky that I keep looking forward to the next day and the next. Always with something in mind to do and hopefully many years left to do all I would like.

My height since maturity has been at 5 ft 3 and my weight varies from 125 to 145 pounds. My eyes are dark brown and my hair dark brown that started turning grey when I was in High School with a grey streak in the front so I started coloring it ever since. I started wearing glasses about 1951, needed them for distance. Then after we got back to Bettendorf I decided I needed new glasses as it had been about 4 years since I had the last exam and in Oct 1989 I went and found out I had glaucoma, fortunately it was just starting and no damage has been done. Right now only too much pressure on my eyes. So will have to take drops for the rest of my life to keep it in check. Now they find my blood pressure is too high, after all my life having low pressure. I am never sick and never get colds or the flu and always feel good all the time, except for migraine headaches which I use to have and now don't have them all that often. Don't figure to feel good all the time with so many problems.

Its times like these when genealogy comes in handy for background health history except all my grandparents and great grandparents lived before they had all the tests they do now for things. Heart problems run in the Lowe family and Grandma Lowe had cataracts and Grandma Dyer died of stroke. Her mother was blind the last several years of her life, from what we don't know? Grandpa Lowe had diabetes and Grandpa Dyer died of old age. Aunt Pearl had cancer and died because she wouldn't get help and Uncle Gale has emphysema real bad. Uncle Claude also had it. Both smoked. Aunt Lea died of heart problems and dad was killed. Uncle Floyd died of heart problems. One of his sons and one of Gale's sons had heart surgery. So definitely heart problems run in the Lowe family. Uncle Paul Dyer had cancer and Aunt Edna Dyer died of heart problems, Aunt Hazel is living with pretty good health and Mom has good health also, except for high cholesterol and arthritis. Charlie is in very good health with only cholesterol to worry about. Mine is also high and it is probably normal for our family to run higher (at least that is my thinking). I am the only one who has sinus and allergies, but usually gives me no problems. Dad had migraine headaches and I started getting them when shortly after I turned 40. Quite a few for several years then they started to not be so often. After I had the last surgery (1989) I don't have them very often at all. Grandpa Lowe also had migraine headaches. This is another thing that is hereditary they say as is glaucoma. I had one son that died with heart problems and mom and dad had a son that also died of heart problems, both died a couple days after birth. Larry hasn't had any problems since he had heart surgery and Gayle has a slight heart murmur as does her daughter, Brittany. Sheri has arthritis and a weight problem, which probably came from the Houser line. As did her grandmother Houser Miller. No problems with Jason and Caanan that we know of now.

1992--Started walking at the mall every day except Sunday the last of April. Usually walk 5 times around, which is 2 miles. Have been watching diet and finally have lost about 10 pounds. Everything is under control this year and no major setback from anything.

Have been on the road a lot this year, between going to Humboldt, IA and Quincy, IL to my Uncle's and Aunts for various reasons, Mom and I have driven there several times.

December 1991 8 of us from here flew to Salt Lake City, Utah for a weeks research at the library. October 1992 Lorraine, Janet, Donna and myself went to Ft Wayne, IN for a week of research at their library. I also went to Columbia, MO for a week in the spring to do research.

Notes

HUSBAND - Joseph Rolla "Joe" Shull
MARRIED: 18 Oct 1953, Las Vegas, NV.

Joe and Gladys were divorced 1 Jul 1954 Davenport, Scott Co. IA. Our son was born Aug 1954 in Davenport, IA and was given up for adoption at that time. I wasn't able to take care of a child nor was he so thought that was the best solution. I also took my maiden name back at that time because of the short duration of marriage. Probably should have gotten it annulled right away but hadn't thought of that at the time but had later.

The marriage was a mistake from the beginning I think. We were in CA and hadn't known each other very long and Joe liked Anna, my friend I went on the group with then he decided he liked me and after while we decided to get married and come back to Iowa. We didn't know that much about each other and by the time we got back here and got an apartment his personality had changed greatly and was so jealous that I couldn't even talk to my brother and he was accusing me of talking to every man around and I couldn't go out of the house but what he thought I was having an affair with anyone so I had enough by Jan so I left him and got a divorce. That was not a good time.

He had remarried and last known lived near Waterloo, IA (1965) I knew this because after I married Charles Treadway, he was in the Army and had Top Secret Clearance and before we went to Germany in 1965 I had to be cleared as well and so they had to locate Joe. Still never really knew why but Chuck had to go talk to him and they had located him in Waterloo, IA at the time.

He was from IL, and his parents and family lived there some years ago. We were with a group selling magazines to California and decided to get married in Las Vegas and come back here, which was a mistake all the way around. You know how you do some stupid things in your life, well I believe this was the most stupid thing I ever did. I have no picture of him nor did I take any pictures during that time period of us or me at that time.

I would hope he had changed with his 2nd marriage as he had 5 children from that marriage and he had married Ardith Howell 10 Jun 1956 at Cedar Falls, IA and they were still together in 1984 at this death.

I located his obituary from the Waterloo & Cedar Falls Courier newspaper May 2005 after looking on the internet for his name from Waterloo paper and wrote and they sent it to me which was dated 12 Sep 1984 then another brief notice of services dated 13 Sep 1984. A picture was included with the obituary.

"Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 223 Elm St., will be 3 p.m. Friday at First United Methodist church in Cedar Falls.---- Mr Shull was born Dec. 16, 1927, at Moline, Ill., son of Elza M. and Lydia I. Shunk Shull. He married Ardith Howell June 10, 1956 at Cedar Falls. ---- He was owner and operator of Packer's shoe Repair in Waterloo. He was a veteran, serving during World War II and the Korean War. He was past noble grand of the Order of the Odd Fellows and a life member of the VFW.---- He is survived by his wife; three sons, Michael Wayne of 1428 Lafayette St., and Dennis Kurt and Neal Eric, both at home; two daughters, Lezlie Elaine and Amy Evalena, both at home; three brothers, Edward of Minnesota, Richard of East Moline, IL, and Walter of Kansas City, MO and three sisters; Marjorie Race of East Moline, Ill, and Sara Short and Pheobe Pirmann, both of Moline, Ill. --- Friends may call at Dahl-Van Hove-Schoof Funeral Home from 7 to 9 p.m., Wednesday, 9 a.m. to 9 p.m. Thursday and 9 a.m to 1 p.m Friday and at the church for an hour before service Friday. --- A memorial fund has been established in his name."

2nd notice was: "Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 221 Elm St. will be 3 p.m. Friday at First United Methodist Church in Cedar Falls. Private burial will occur at a later date. ---- Mr Shull died Tuesday morning at St. Francis Hospital. --- He came to the metro area in March of 1956 and was employed by Rath Packing Co. from then until 1967, when he bought Packee's Shoe Repair. --- Friends may call at Dahl-Van Hove-Schoof Funeral Home in Cedar Falls until 9 p.m. Thursday and from 9 a.m. to 1 p.m. Friday and at the church for an hour before services. --- A memorial fund has been established."

No mention of where the burial was or when took place.

Apparently I had written Mom and Dad a letter in 1953 where listed all of Joe's family.

Husband Tom Mapes (father)
Wife SherylInn Kay "Sheri" Houser

Notes

HUSBAND - Tom Mapes (father)

Sheri had a son fathered by Tom Mapes. They never lived together nor were they married but Tom did send support for Jason.

WIFE - SherylInn Kay "Sheri" Houser

Sheri started school in Davenport, IA and also went to school in Bad Nauheim, Germany for a year and then Murnau, Germany for a year. She picked up German very easily and in high school she took German, French and Spanish. She spent two years in Aberdeen, MD and came back to Davenport schools then graduated from Bettendorf high school Jan 1974 then she went to Scott Community College to get degree in Auditing, which she never used.

Her only son Jason was born in Iowa City just after she graduated from College. His father was Tom Mapes and they never married.

She lived in Minn. for some years after getting out of school then lived in TX for few years, Dallas and San Antonio where she worked as an insurance under-writer. Was a short time in Waco. This was about 1981 to 1988 when she moved back to Davenport, IA for a short time then went back to Duluth where she worked in insurance for a while then moved to Virginia, MN where she was asst. manager of a Hardy's for a while then had to quit work for while and planned to go back to school but hasn't yet.

She and Jason like it there real well. He has had some trouble but is getting along okay now. They go camping in the summer and they have birds and Sheri has been painting the last few years so they keep busy. Jason just started a paper route this fall to give him some spending money. 1990-91 he is in the 6th grade.

1993- They are still living in MN and liking it. Sheri is working and Jason is in 9th grade, just turned 15 this summer.

1996 Jason turned 18 in June and is working full time and has his own apartment and things going okay for him and Sheri right now.

1996 Sheri bought a house in Virginia after she went on disability after finding out she had chronic fatigue syndrome, not life threatening but wasn't able to work and she got quite a bit of back disability with which she bought her house and a better car. She started working on her weight and by Mar 1997 she has lost over 95 pounds. She is feeling fairly good but has bad days as well as good. They claim this is a life long situation, won't get any better but could get worse. So she just takes one day at a time.

1998 Sheri and Jason were back for Chuck's funeral for a week. They got a computer and have been busy with that this year.

1999 Sheri has had her ups and downs but thought she may be able to work part time so started at a computer store in Jul. so will see how long that will work out. Jason has an apartment with 2 other boys and working at a place like 7-11 there. She came home for Thanksgiving for a week but Jason couldn't come and all was together.

2001 Things do change. Sheri had worked on her house she bought in Virginia for last couple years then decided she needed a change so bought an 18 ft motor home and decided to travel for year or two if it would work out. She left Virginia the middle of July and came to Bettendorf to spend some time with mother before going on then visited her father for while then on to who knows where. She is to keep us posted. Jason stayed in Eveleth and working at pizza place for now. and by Dec 2001 Sheri found a place in East Point, FL and liked it so well decided to stay thru next winter. Jason moved to Longview, WA with a friend and is working at a Dairy Queen there and seems to like it real well.

2002 Things much the same with Sheri but she did buy a truck as her car was not in good shape that she could pull with the motor home and stayed at East Point during the summer and now this winter 2002-2003. She had worked part time while there at a store on St George Island to pass the time as well. Her health has been up and down this past year also. Jason back in Mn and going to college for computer programing.

2003 Sheri came to Iowa for few weeks and went to MN as well. Still working part time at the store.

2005 Still in FL, had rented an apartment for about a year then in spring of 2005 she bought another motor home, better and larger then one she had before she moved into the apt. She just didn't like apartment living so was lucky to find another motor home that she could afford.

She came to Iowa in Nov of 2005 and stayed between home and MN, visiting family and friends until Jan of 2006

when she went back to East Point, FL. Been bad hurricane season this year and they had 3 in the Gulf but none did any damage to her but the lot she was renting did get damaged in the first hurricane so she had to find another place and did but much more costly and by Nov she plans to be back to first one she was at.

2006 She wasn't able to work this year but few days as had several bad months with health problems No hurricanes in her area this year.

2007 Came back to Iowa 2nd week of April to visit with her father who was dying of lung cancer, bone, liver and brain as well in Mason City and stayed off & and in Bettendorf also.. Fast moving cancer. She is hoping to be able to work when she gets back in May this year.

2010 30 May, Sheri packed up from FL bought a trailer in Davenport. Her health had not been all that good for quite a while and so she decided maybe time to come back to this area. She had bought a van camper thinking would travel but health too bad now for that.

Nov 2010 she had her son Jason come to live with her and see if he can get work here as hadn't had much in Duluth.

2011 She bought a double wide trailer down off Waverly and so she and Jason moved there. Then I think April 2011 Gayle moved in with them. 2012 Jason moved out with a friend. Just too much going on with all of them there.

2012 she started going to Dr and thru 2013 having some test done to see if can find out what is going on as she has not been feeling well the last 2 years. Well she found out she MS in the 4th stage which is bad usually but they said she wasn't as bad as could be but will have spells off and on as not much can do and has probably had if for 30 years so. They have been working on Chronic Fatigue Syndrom and Fibermalgia and not looking for anything else till it got so bad she had to do something.

2013 Still doing testing but only thing they think will work is chemo and she isn't going to do that and changing her diet which we all did in Feb and I have kept it up but Gayle and Sheri has kind gone off it as Sheri is trying to concentrate on quitting smoking and having a harder time this time then last. Gayle is just lost so she didn't think anything would help her. Waiting for someone else to fix what she has to fix herself and can't seem to get that thru her head.

Sheri was a grandmother 28 Nov. 2013, which happened to be Thanksgiving Day this year. Jason and Danielle Andresen to have a boy they are going to name Charles (after Chuck) Gwen (after her family) Houser. Will get mad sometime I guess. He weighed 7pd 13 Oz 19 in long. So far is healthy. Head of long black hair and very filled out. She would have been a grandmother again the 3rd June 2016, Jason had a girl Lillie Sherylnn Houser.

Almost a week later on Wed her dog Toby died at age 14. (After Charlies was born) He had been sick for a while and know was acting different for while but didn't think was close to dying. Took him to Vet but couldn't revive him. He will be cremated but not sure where she is going to bury him.

2014 Gayle has her own trailer and Sheri has rented the front of her trailer to 2 gay guys with a special dog looks almost like Toby and seems to be working out good. Jason is still there but suppose to be out by 1st may as he has had no job since last year when Mediacom wouldn't take him back in Jan. Now it is April and Sheri has gotten a Quaker parakeet to keep her company. Less work then a dog. But found she was alergic to feathers so gave it to Jason. Then she got a dog but he was too wild and so had to take him back to shelter as he required too much for her to take care of.

2014 Sheri found out she has 4th stage M.S. since end of last year and they said she has had it probably some 20-30 years but just now getting worse.

June 2014 Sheri came up with starting a charity called Quad City Plant Deva's and got a lot of people that have wanted to help her with it. Getting plants from all the stores that throw them away at end of the season and so they said she could have them so she could give them away to people that can't aford to buy them.

Then by 2015 she wasn't able to do any of that as she was not having many good days from MS. and suppose to be on oxygen 24/7 and she had trouble with that.

She had just the four of us at her place for dinner on Christmas Eve which we had never been before, thought rather strange but had a nice time then she said liets do it again for New Years day all the family for brunch so had planned on it but didn't go as planned.

	She knew she would be a grandmother again as Jason and Danielle were going to have a girl this time 3 June 2016 but didn't deter her plans anyway I guess.
	Whole year of 2015 was not good for her and had went to many Dr's and none of them could or would help her and finally the MS got the best of her and on Friday afternoon Jan 1, 2016 at 1:30 she passed away unexpectedly at home with her son, Mother, brother and sister there.
	She will be cremated by Runge Funeral Home, no service. Just 1 1/2 month shy of age 60.

As for her wishes, she will be cremated and there will be no services. Runge Mortuary is assisting the family. She had been sick for many years, but always managed to make a life for herself up until the last battle with MS took her down the last four years, and no one seemed to be able to help her, but she fought it with her last breath. Sheri was born Feb 7, 1956 in Davenport, Iowa, the daughter of Jerald Larry "Jerry" Houser, dec'd 7 April 2008, Mason City, Iowa and Gladys L. (Lowe) Houser. When her mother remarried in 1965, they spent two years in Germany and one year in Aberdeen, MD and then back to Bettendorf, Iowa and she graduated from Bettendorf High in 1974 and then went on to study accounting and business management at Mary Crest and Scott Community College, an Augustana. Before her health got too bad she moved to Virginia, Minnesota, Dallas, San Antonio, Texas where she worked as an insurance underwriter until she moved to Florida for nine years, then the last four years she was back in Davenport IA. After she moved back here and was not able to work, she took up making jewelry, outdoor yard art, working in the yard and loved to read and travel and helped her mother do research on her dad's family and her mother's family. Those left to honor her memory include her son, Jason B. Houser (Danielle Andreson) and their son Charles Gwin Houser of Walcott, Iowa, her mother, Gladys (Lowe) Treadway, of Bettendorf, Iowa, sister, Gayle R. (Bush) (Sergio) Mallas, of near Los Angeles, Calif.; her brother Larry M. Houser, presently of Davenport, as was living with his sister to help her; her Uncle Charles E. Lowe, Rock Island, IL and his son Mark E. Lowe and family her Aunt Mary Ellen Miller, Corydon, Iowa and her Uncle David Miller and family of near De Moines, Iowa; Step grandfathers three children from former marriage. She was preceded by a brother, Mark Allen Houser, who died shortly after birth 1962, her father, Gerald L. Houser, his parents and her stepfather, Chief Warrant Officer 2 Charles L. Treadway dec'd 3 Mar 1998 and Uncle Marion Dale Lowe who died in infancy 1950. Her grandparents, Willard H. Lowe and Rovene Melvina (Dyer) Lowe Schurr and step grandfather, Harold G. Schurr. Memorials may be made to the family to go to her favorite charities."
	Last time we were together was Christmas Eve for dinner at Sheri's then she planned to have all of us to her place on New Years Day and that was the day she passed away. Police said lack of oxygen among other things.
	(thought was so careful and everything was right then found listed stepfather instead of step grandfather. Hope got all mistakes replaced. Guess you can't win them all)

CHILD 2 - Lillie SherylHn Houser

Named after Jason's mother.

Soon after she was born a big red spot came on her nose, and doesn't seem the Dr's know what it is or what to do about it. Certainly hope they do something soon.

Notes

HUSBAND - Larry Martin Houser

Larry started school in Davenport, IA then went to school in Bad Nauheim, Germany for a year then Murnau, Germany for a year and two years in Aberdeen, MD besides back to Davenport and Bettendorf. He quit school and went to South Dakota to Job Corps training to learn Waste Water Treatment and Forestry. He was in Joplin, MO for a while then came back to Davenport. He received a licence to operate in wastewater treatment plant which he did for a while when he came back to Davenport, but didn't care for it so decided to hang dry wall which he has been doing ever since.

Larry had open heart surgery in 1969 at the age 11 while we were stationed in Aberdeen, MD at Walter Reed Hospital in Washington DC. Came through it great, after two weeks he was back in school doing just fine.

He met Becky in Davenport and they were married at the Berean Baptist Church at 13th and Clark St in Davenport. The reception was held at her parents home after the wedding at 1441 N. Lincoln. The wedding rehearsal supper was given by Larry's parents and held Friday night 25 Nov 1977 at Chef's Hat on West Locust St. A shower was given for Becky at the home of the maid of honor on 15 Nov. Larry was working for the Wastewater Treatment plant at the time then got laid off then went to work for Treadway Texaco besides hanging dry wall. There wasn't a lot of work so he decided to travel and hang dry wall where ever he they worked in CO, FL and 1982 came to TX, and lived in Carrollton, TX for a while then to AZ for short time and back to Davenport. He worked between there and Chicago and then went to PA in 1988 to work.

He and Becky had no children.

By 1989 he was divorced and went to live in Hazelton, PA and work there as was much work hanging dry wall at the time. He met Diane Froymoyer and after a while they moved in together and Larry was helping her raise 2 of her children. Which is where he is living now.-1993. (off & on 1995). Larry & Diane were in Bettendorf 1992 and Larry came alone in July 1995.

1997 Jan, Larry came back to Bettendorf and going to see if any work here. He went to stay with Gayle for a while then she moved out and he kept her apt. and found work off and on. 1998 still in Bettendorf and working.

1999- Still working some and living in Pleasant Valley for the time being.

His open heart surgery doesn't seem to have slowed him down any but he does have a lot of back problems so probably in time he will have to find something else to do.

2001-02 Still working in and around Davenport and living in Pleasant Valley.

2005 Nothing has changed for him.

2010 nothing changed, still living in Pleasant Valley and doing odd jobs to keep going I guess.

2011-12 still the same as before. Living in Pleasant Valley. Did buy Sheris motor home in hopes to fix it up so he could use it but again needed more work then they thought. So he will use it in PV.

But decided it cost too much so sold it.

2016 still living in Pleasant Valley when he isn't working out of town someplace so nothing much has changed for him. Except when his sister died 1 Jan 2016 he decided he might be wise to quit smoking if could go thru what she did. Don't know if he has or not.

WIFE - Rebecca Jean "Becky" Brown

Larry and Becky were married at her church, Berean Baptist Church of Davenport. They lived in Davenport, IA for a while then they went to Florida, Texas and Arizona where Larry was working at hanging dry wall. The last few years before they were divorced in 1988 they were living with her folks and Larry was working in Chicago most of the time. They were separated in 1988 and Larry went to PA to work.

Becky married 2nd to Robert Alan Wren and lives in Davenport. She works for the Home Care (Visiting Nurses & Homemakers of Davenport). (12 Aug 1990?) She divorced him few years later.

By 1997 had married Steven Kane and had a baby girl, Breanna who was born abt Jul 1997 and living in Bettendorf, IA.

Becky has a brother Richard who was md, div, and remarried and has twin boys.

Husband Daniel Gentile

Wife Gayle Renee' Houser

Notes

HUSBAND - Daniel Gentile

Gayle had a daughter fathered by Daniel Gentile. They were never married and gave the child up for adoption. Daniel born 1959.

WIFE - Gayle Renee' Houser

Gayle started school in Bad Nauheim, Germany and then went for a year in Murnau, Germany and 2 years in Aberdeen, MD besides Davenport and Bettendorf. Gayle left school when she had 3 months left to graduate but didn't want to finish. However while she was in TX she did get her GED so she has her deploma with no problems. Just breezed thru the test.

Gayle moved out when she quit school and was living with Daniel Gentile and had a daughter 1976 by him but couldn't raise the child so put her up for adoption. Had note that friend of lawyer Mrs Crutz set up adoption and she was adopted by Robert Hastings. She didn't find out she was adopted until 1996 and then wanted to meet her biological parents so it was arranged.

Gayle had various jobs and many problems which she had to work out herself.

She and her sister Sheri came to TX in 1981 and Sheri went to Dallas and Gayle stayed in Gatesville where she met Randy and they were married 1982 and had 2 children and couldn't make it work so she left and the children stayed with Randy. She went back to try again but didn't work so she moved back to Davenport and went to work. Her sister came back also and they had an apt together for a while, until Sheri moved to MN.

Gayle met Tom and started going with him and they had a nice house in Park View and she had the children during the school year and Randy had them or the summer. Then things started going bad and kids went back to California to their dad's for a while and then by Jul 1993 Gayle was to have them for 2 years. She got an apartment in Park View again and had a good job working as secretary for a small company dealing with golf equipment. Likes it real well.

1993-Caanan is 10 and in the 5th grade and Brittany is 8 and in the 2nd grade at Neil Armstrong School in Park View.

1994 Nov, Gayle moved to California and Randy and his sister in law said they could get her a job at AMJAM where they all worked so she went there but things didn't work out and wasn't able to get a job there and nothing else paid enough to stay there as living is so high there. So Jul 1996 she came back to Bettendorf and started working at Ross's again then got a couple part time jobs and will get her own apartment again prob. by the first of Sep. Caanan and Brittany came to spend 10 days from 17 Aug to 26th of Aug. They flew by themselves from CA. Caanan just turned 13 and will be in 8th grade and Brittany just was 11 in Mar and she will be in 5th grade.

1996 Aug, Gayle moved back to Bettendorf, IA and started work at Ross's. Moved into her own apartment downtown so would be closer to work by Sept. Shortly after that she met Rick and has spent much of her off time with him at his home in Moline.

She ran into someone that had information about the daughter she gave up for adoption and said she had been looking for her biological mother and gave Gayle her phone number and Gayle called her 17 Feb 1997, on Gayles birthday and had a very nice talk with her. She lives in Glendale, AZ and was married to Nick Perry and had a son Travis, 6 months of age. They were going to exchange pictures and keep in touch.

Mar 1997, Gayle brought Misty and Travis here (Mother & Dad's) for the afternoon 16 Mar and had a nice visit. It was unreal how much they resemble each other. Travis was very well behaved and was very happy. She said he was usually good. Was just 7 months old and very stocky but is just crawling and rolling around now. After they left here they were going to her fathers, Danny's folks for while then Danny was going to take them out for supper. She will have quite a trip to remember but she seems so very well adjusted and at least doesn't have any of Gayle's bad traits and she is well pleased with the way she was raised and her parents but just wanted to meet her real parents, which in this day is normal for most adopted children it seems. With so many health problems it may be for the better.

Caanan and Brittany and Misty were all at Gayle and Ricks in Jul 1997 and again in Jul 1998.

Gayle went home to stay for while until she found a full time job in Aug 1998 then by Oct 1998 she found a job and got an apartment in Moline. Started working at John Deere Insurance Co. full time as temp but hoping to work into full time permanent.

WIFE - Gayle Renee' Houser (Continued)

1999 Still working at John Deere and taking computer classes to see about permanent job but needed the training first. Brittany come this summer and Caanan wanted to stay in CA and work. Brittany stayed about 6 weeks 6 Jul to 16 Aug 1999. Misty was planning on coming also but she had a baby the 3rd of June, Bryana Nicole Perry so she had to stay in AZ. this summer.

Oct. she starts new job at John Deere, so hopefully her training will pay off. Sure good pay plus several benefits so hope it works out, should know for sure in Jan 2000.

2001 Gayle still working at John Deere and hoping to get her drivers licence back by Sept. but didn't. She went to CA to Caanan's high school graduation in June and enjoyed that. Neither kids will come this year as Caanan is working at drug store developing pictures till fall when he will go to Community College and Brittany is working at Subway so wasn't coming either. Misty came up for grad. also from AZ then Brittany did go home with her for few days.

2002 June Gayle flew to AZ to see Misty and Travis and Bryana and Caanan and Brittany flew from CA to spend the week with them and all had a good time.

1 Nov 2002 she moved back in with Rick again to see if would work which it didn't so she bought a condo in Coal Valley. Ended up selling it and moving in with sister Sheri.

Oct 2002 Randy went to work in Puerto Rico for 3 years and was to come back to CA for Xmas then all family was going there for vacation then Caanan was going to stay there and Brittany and Arla were flying back to CA. Caanan maybe plans to stay a year. He started working at Amgam where his father works this summer and will work for them in Puerto Rico as well. What an experience.

2005- Gayle met Terry first part of year and Oct moved in with him. He has a home in Coal Valley and she is going to rent out her condo. She was going to CA in Nov to see the kids but they decided it was better for them to come here in Mar during school break and they could see everyone as hadn't been to Iowa in few years.

2006 still working at John Deere and in June she broke her neck when diving in her pool and so was in brace for several weeks then in Sep she had surgery on her neck.

Not sure which year John Deere sold insurance business to United Health maybe 2007 but she was able to keep her job.

Did not have good years as back to drinking and spent some time in jail and out 2009 she met Phil and from there down hill all year.

28 Dec 2009 was picked up for drinking and driving and stayed in jail in Rock Island till Feb then they sent her to another place for short time then was sent to Decatur, IL for rest of her sentence which was 4 years but shortened to a year or yr and 1/2 not sure. She had to have some take care of her business so she had the owner of the Condo do it. Renting the condo and then will probably sell it when she gets out. She lost job, dog, cats and basicky her life for while and probably won't help much after she gets out unless she has really changed.

She stayed with someone for while then went back to her condo till Apr 2011 and moved in with Sheri and Jason in Sheri's trailer. Got a job at one place but they kept cutting her hours so she found another job at a restr. that was closer to them and was able to get full time work there and with tips should do pretty good.

Was able to take a trip to FL to see grandkids as Misty paid for her plane ticket so she did that before she started looking for work after moving in with Sheri.

2013 Still at Sheris and working on internet from home so doesn't have to get somewhere every day. Has her share of boy friends or at least male friends so does get out but still having a problem with drinking and guess she always will I think.

She had a week of running around in June with former male classmates from high school reunion that she helped get together so took the week off work which she could probably use.

Misty and Matt had a boy they named Sage last of May but he died in couple days of undeveloped heart and they couldn't save him.

Gayle says Brittany is doing real good and living with her boy friend Sergio and doing makeup and hair and has a gig with a TV show doing that for 4 of the stars of that show. Find out later what is I guess (July). Caanan is still living

in Seattle but sort of living like Gayle did and sure hope he realizes it soon he can't live that way or will be in same fix as Gayle has been all her adult life.

A neighbor next door to Sheri was going to sell his trailer early 2013 and said he would sell it to Gayle for \$4000 so thought it was a good deal but when got into it it needed more then she could handle but decided to keep working at a little at a time and will get it fixed to suit her soon. She just couldn't stay at Sheri's any longer as they just weren't getting along and Gayle and Jason were drinking more also.

But finally by Apr 2014 she has decided she needs help and got signed up for Medicaide as Sheri has so she can get medical treatment and try to get her straightened out. She lost her job with Best Buy on internet as she was doing a another job she should have been doing so decided to take unemployment until she gets back from a week in California to see the kids the last week of Apr then she will start looking for another internet job. Misty is coming from FL and Caanan is coming from Seattle and they will stay at Brittany's outside Los Angeles.

Aug 2014 Gayle finally got another job on the internet which pays more then the other one she had and thinks she will like it better. Going to Therapy and shortly will start meds to help her depression. That didn't work out as she said it was no help. So still drinking.

She was told Brittany and Sergio Mallas became engaged this summer and going to be married next year but don't know where as yet. CA, Mexico or maybe even KY where her father is.

They will be married 14 Nov 2015 in Cancun, Mexico. Sounds like all her family will be there.

Gayle back with another guy and both of them drinking allnight and fighting and arguing all the time so can't understand why she can't get along with anyone. Jason drinking with them all the time too.

May 2015 She started thinking about moving to Gatesville, since the Bush family is there that she knows and thinks can start a new live. She needs to start it before she moves if she does. That also may not come to anything. Probably nothing will come of it.

Quit her last job in fall and couldn't get another one because thought too close to the wedding and she had that paid for so didn't want to start something and then have to leave.

Here it is last of Dec 2015 and she still doesn't have a job but back with Steve and he is probably supporting her again. At least they seem to be getting along better but both still drinking too much.

1 Jan 2016 her sister died and Jason didn't want her mobile home so Gayle and Steve bought it from him and then sold her mobile home but didn't last long with Steve as they just weren't getting along so she told him to move out and she found a lady that was working as therapist in a nursing home to move in and help with expensis so that was good. Think she can make it that way.

2016 She finally got a job where Jason is working but has to work nights but its a job and she has a car to get to work, now just has to get a licence but has to have oney for lawyer to do that so she plans to do that when she gets her money in Feb. Then she has one more year she will get it and that will be all the extra she gets from her dad's estate. I think that made a change in her as well as she has finally decided to stop drinking, , going to AA and has a good sponser so hope it will last.

The year is almost over and now Oct. she has decided to try to quit drinking so going back to AA and will need to to get her licence probably and she needed to quit anyway as she finally realized. It was no life living like she was.

22 Nov-29 Nov 2016 went to FL to see her daughter and 9 granchildren for Thanksgiving. They wanted her to come so was able to get off work.

2003 Misty is getting married again to Matt Parenzan in Mesa, AZ on the 19 of Jan. They plan to move to Dallas, TX Feb as Matt is to work for his fathers business there. Believe in construction. Misty is pregnant so there will be another child later in the year. They had planned to get married anyway but this just moved it up a little. Ended up they moved to Niceville, FL before Aug 31st when their daughter Dilan Riley was born.

2008 Misty and Matt had another daughter Zoe Michelle Parenzan born 31 Jan 2008 in FL. They were living just outside Destin, FL. in Miramas Beach, FL.

She also was going to California weekend of Easter and planning to take Caanan & Brittany out to eat.

There were here on Sunday afternoon, 16 Mar 1997. Had a very nice visit with Misty and son Travis. He was very well behaved and very happy, seems to have a real nice personality as does his mother. WIFE

- Misty Gale Houser-Hastings

Believe name was Marie Donota Houser, and she was put up for adoption as Gayle had no way to care for the baby. Adopted 17 Dec 1976. Father was Daniel Gentile. Her name was changed when adopted. Several coincidence's here as middle name given was Gale said after god mother and Misty was married on same day mother was born. In her pictures she sent, she looks a lot like Gayle and did when small at different ages as well. Very pretty girl. Was adopted by Ronald Eugene and Wilma Hastings soon after birth and was raised in AZ till after md 2nd time when moved to Destin, FL

Gayle was somehow connected with someone who know about her and gave her the phone number to call her. She called her 17 Feb 1997, on Gayles birthday so said had a very nice birthday for change. Her name was changed to Misty Gale Hastings and was married to a Nick Perry and lived in Glendale, AZ and had for many years (since she was 6 yrs old). She has a son Travis Perry, 6 months old in Jan. They are going to exchange pictures and keep in touch. Notes HUSBAND - Randell Scott "Randy" Bush BIRTH: Randy was born in Gatesville, TX. MARRIAGE1: Married in Gatesville, TX, home of wife's parents. This marriage ended in divorce. MARRIAGE2: Married in CA. Maybe in Newbury Park, CA as that is where they were living at the time to Arla (?) They were divorced MARRIAGE3: Married in Porto Rico to a gal he met there from Canada, not sure the date. They went to his daughter Brittany's wedding in Cancun, Mexico for a week around the 14th of Nov 2015. Believe wifes name was Susan? PARENTS: Randy's father died when he was still in school and his mother died just after he was out of school. Randy had one half brother who lives in Gatesville, TX and two brothers, Monty and Ricky who are both married and also living in Newbury Park, CA. and all working at the same Amgam (Amjam)? plant. Randy and Gayle were separated July 1987 and he kept the children. Had a hard time working and trying to raise them but did okay. They were divorced Jan 1990. By this time Randy was in California working and Gayle was back in Davenport, IA. The children were staying with Gayle during the school year and with Randy during the summer. 1993- The kids came back to live with Gayle for 2 years. Randy worked for DR Pepper in Waco when they were first married then he got the district of Gatesville and Ft Hood with offices in Gatesville so worked out of there for a while. After Gayle left and Randy's brother went to CA to work on a big project he decided to go also. He took the kids and moved to CA. Then his brother went back to TX but soon came back to CA. Randy liked it in CA so he stayed. He has a good job as an electritron and makes real good money. So the kids have traveled back and for from CA to here and seem to like flying. Randy married 2nd to Arla in 1997 in CA. She had been married before and has a dau in school in TX and a son Jeremy who is abt same age as Caanan who was born 1983. Randy & Arla bought a new home in Newbury Park, CA in 2001 and plan to move in around Aug-Sep of 2001. Arla had breast cancer last year and is getting over that. They divorced bef 2002. Both work at Amgam Co. Randy will go to Puerto Rico in the Oct 2002 for 3 years and Caanan will go there abt Jan for year and prob. work for Amgam also while there then come back to CA and go back to college. Which he didn't but came back to CA then moved to Seattle, WA where he still lives.	
WIFE	- Gayle Renee' Houser
Gayle started school in Bad Nauheim, Germany and then went for a year in Murnau, Germany and 2 years in Aberdeen, MD besides Davenport and Bettendorf. Gayle left school when she had 3 months left to graduate but didn't want to finish. However while she was in TX she did get her GED so she has her deploma with no problems. Just breezed thru the test. Gayle moved out when she quit school and was living with Daniel Gentile and had a daughter 1976 by him but couldn't raise the child so put her up for adoption. Had note that friend of lawyer Mrs Crutz set up adoption and she was adopted by Robert Hastings. She didn't find out she was adopted until 1996 and then wanted to meet her biological parents so it was arranged. Gayle had various jobs and many problems which she had to work out herself. She and her sister Sheri came to TX in 1981 and Sheri went to Dallas and Gayle stayed in Gatesville where she met Randy and they were married 1982 and had 2 children and couldn't make it work so she left and the children stayed with Randy. She went back to try again but didn't work so she moved back to Davenport and went to work. Her sister came back also and they had an apt together for a while, until Sheri moved to MN. Gayle met Tom and started going with him and they had a nice house in Park View and she had the children during the school year and Randy had them or the summer. Then things started going bad and kids went back to California

Notes	
WIFE	- Gayle Renee' Houser (Continued) May 2015 She started thinking about moving to Gatesville, since the Bush family is there that she knows and thinks can start a new live. She needs to start it before she moves if she does. That also may not come to anything. Probably nothing will come of it. Quit her last job in fall and couldn't get another one because thought too close to the wedding and she had that paid for so didn't want to start something and then have to leave. Here it is last of Dec 2015 and she still doesn't have a job but back with Steve and he is probably supporting her again. At least they seem to be getting along better but both still drinking too much. 1 Jan 2016 her sister died and Jason didn't want her mobile home so Gayle and Steve bought it from him and then sold her mobile home but didn't last long with Steve as they just weren't getting along so she told him to move out and she found a lady that was working as therapist in a nursing home to move in and help with expensis so that was good. Think she can make it that way. 2016 She finally got a job where Jason is working but has to work nights but its a job and she has a car to get to work, now just has to get a licence but has to have oney for lawyer to do that so she plans to do that when she gets her money in Feb. Then she has one more year she will get it and that will be all the extra she gets from her dad's estate. I think that made a change in her as well as she has finally decided to stop drinking, , going to AA and has a good sponser so hope it will last. The year is almost over and now Oct. she has decided to try to quit drinking so going back to AA and will need to to get her licence probably and she needed to quit anyway as she finally realized. It was no life living like she was. 22 Nov-29 Nov 2016 went to FL to see her daughter and 9 granchildren for Thanksgiving. They wanted her to come so was able to get off work.
CHILD 1	- Caanan Scott Bush Have birth certificate of Caanan. Was born 5:26 a.m. Was 6 lbs 13 oz, 19 1/2 in. long. 1993-Caanan is 10 years old and is in the 5th grade at Neil Armstrong school in Park View. He likes nintendo and computers and outdoor sports. 1999 Caanan will be 16 in Aug and is well over 6 foot tall. He has played baseball, basketball and in very good in track. They have flown here from CA every summer to spend at least a month with their mother. Their half sister, Misty Perry of AZ also tries to come when they are here and has the last 3 years but doubt this year as she is expecting a new arrival the last of June. Caanan and Brittan have gone to AZ few times to spend with Misty as well. 2001 June Caanan graduated from High School in Newbury Park, CA. His whole family was there and his mother came from Iowa and his half sister, Misty for AZ also came. He plans to go to Community College in the fall. Working at a drug store developing pictures during summer. 2002- June Caanan and Brittany flew to AZ to spend week with Misty and their mother as she flew from here. Caanan is working at the drug store and also at a mens clothing store for the summer then this winter he is taking off college for the year and going to Puerto Rico with his dad and work for Arngam while there. He started work for them this summer but left the clothing store but working at the drug store on weekends. Then come back and go back to college. Plans to stay there a year maybe. Girlfriend is Kristina Sales and she works first in CA where she met Caanan then when he moved to WA, she moved there and got a job there as well. Not sure how long they have been together but maybe thinking of mg? Not sure if Kris bowls but Caanan is on a league and he has a high average and likes it and Brittany and Sergio bowls in CA also. 2015 Way behind in Caanan's life. Didn't go back to college but moved to Seattle WA and has lived there a few years. Has been working since going there and says likes it. Think working for computer co now, not sure. Has a girlfriend that they might get married but not yet. They did go to his sister, Brittany's wedding in Cancun, Mexico for week before and after the 14th of Nov when she was married to Sergiio Mallas. They live in CA outside Los Angeles. Brittany's father and wife and her mother went to the wedding.

Wife	Gayle Renee' Houser
Notes	
WIFE	- Gayle Renee' Houser (Continued) to their dad's for a while and then by Jul 1993 Gayle was to have them for 2 years. She got an apartment in Park View again and had a good job working as secretary for a small company dealing with golf equipment. Likes it real well. 1993-Caanan is 10 and in the 5th grade and Brittany is 8 and in the 2nd grade at Neil Armstrong School in Park View. 1994 Nov, Gayle moved to California and Randy and his sister in law said they could get her a job at AMJAM where they all worked so she went there but things didn't work out and wasn't able to get a job there and nothing else paid enough to stay there as living is so high there. So Jul 1996 she came back to Bettendorf and started working at Ross's again then got a couple part time jobs and will get her own apartment again prob. by the first of Sep. Caanan and Brittany came to spend 10 days from 17 Aug to 26th of Aug. They flew by themselves from CA. Caanan just turned 13 and will be in 8th grade and Brittany just was 11 in Mar and she will be in 5th grade. 1996 Aug, Gayle moved back to Bettendorf, IA and started work at Ross's. Moved into her own apartment downtown so would be closer to work by Sept. Shortly after that she met Rick and has spent much of her off time with him at his home in Moline. She ran into someone that had information about the daughter she gave up for adoption and said she had been looking for her biological mother and gave Gayle her phone number and Gayle called her 17 Feb 1997, on Gayles birthday and had a very nice talk with her. She lives in Glendale, AZ and was married to Nick Perry and had a son Travis, 6 months of age. They were going to exchange pictures and keep in touch. Mar 1997, Gayle brought Misty and Travis here (Mother & Dad's) for the afternoon 16 Mar and had a nice visit. It was unreal who much they resemble each other. Travis was very well behaved and was very happy. She said he was usually good. Was just 7 months old and very stocky but is just crawling and rolling around now. After they left here they were going to her fathers, Danny's folks for while then Danny was going to take them out for supper. She will have quite a trip to remember but she seems so very well adjusted and at least doesn't have any of Gayle's bad traits and she is well pleased with the way she was raised and her parents but just wanted to meet her real parents, which in this day is normal for most adopted children it seems. With so many health problems it may be for the better. Caanan and Brittany and Misty were all at Gayle and Ricks in Jul 1997 and again in Jul 1998. Gayle went home to stay for while until she found a full time job in Aug 1998 then by Oct 1998 she found a job and got an apartment in Moline. Started working at John Deere Insurance Co. full time as temp but hoping to work into full time permanent. 1999 Still working at John Deere and taking computer classes to see about permanent job but needed the training first. Brittany come this summer and Caanan wanted to stay in CA and work. Brittany stayed about 6 weeks 6 Jul to 16 Aug 1999. Misty was planning on coming also but she had a baby the 3rd of June, Bryana Nicole Perry so she had to stay in AZ. this summer. Oct. she starts new job at John Deere, so hopefully her training will pay off. Sure good pay plus several benefits so hope it works out, should know for sure in Jan 2000. 2001 Gayle still working at John Deere and hoping to get her drivers licence back by Sept. but didn't. She went to CA to Caanan's high school graduation in June and enjoyed that. Neither kids will come this year as Caanan is working at drug store developing pictures till fall when he will go to Community College and Brittany is working at Subway so wasn't coming either. Misty came up for grad. also from AZ then Brittany did go home with her for few days. 2002 June Gayle flew to AZ to see Misty and Travis and Bryana and Caanan and Brittany flew from CA to spend the week with them and all had a good time. 1 Nov 2002 she moved back in with Rick again to see if would work which it didn't so she bought a condo in Coal Valley. Ended up selling it and moving in with sister Sheri. Oct 2002 Randy went to work in Puerto Rico for 3 years and was to come back to CA for Xmas then all family was going there for vacation then Caanan was going to stay there and Brittany and Arla were flying back to CA. Caanan maybe plans to stay a year. He started working at Amgam where his father works this summer and will work for them in Puerto Rico as well. What an experience. 2005- Gayle met Terry first part of year and Oct moved in with him. He has a home in Coal Valley and she is going

to rent out her condo. She was going to CA in Nov to see the kids but they decided it was better for them to come here in Mar during school break and they could see everyone as hadn't been to Iowa in few years.	
2006 still working at John Deere and in June she broke her neck when diving in her pool and so was in brace for several weeks then in Sep she had surgery on her neck.	
Not sure which year John Deere sold insurance business to United Health maybe 2007 but she was able to keep her job.	
Did not have good years as back to drinking and spent some time in jail and out 2009 she met Phil and from there down hill all year.	
28 Dec 2009 was picked up for drinking and driving and stayed in jail in Rock Island till Feb then they sent her to another place for short time then was sent to Decatur, IL for rest of her sentence which was 4 years but shortened to a year or yr and 1/2 not sure. She had to have some take care of her business so she had the owner of the Condo do it. Renting the condo and then will probably sell it when she gets out. She lost job, dog, cats and basically her life for while and probably won't help much after she gets out unless she has really changed.	
She stayed with someone for while then went back to her condo till Apr 2011 and moved in with Sheri and Jason in Sheri's trailer. Got a job at one place but they kept cutting her hours so she found another job at a restr. that was closer to them and was able to get full time work there and with tips should do pretty good.	
Was able to take a trip to FL to see grandkids as Misty paid for her plane ticket so she did that before she started looking for work after moving in with Sheri.	
2013 Still at Sheris and working on internet from home so doesn't have to get somewhere every day. Has her share of boy friends or at least male friends so does get out but still having a problem with drinking and guess she always will I think. She had a week of running around in June with former male classmates from high school reunion that she helped get together so took the week off work which she could probably use.	
Misty and Matt had a boy they named Sage last of May but he died in couple days of undeveloped heart and they couldn't save him.	
Gayle says Brittany is doing real good and living with her boy friend Sergio and doing makeup and hair and has a gig with a TV show doing that for 4 of the stars of that show. Find out later what is I guess (July). Caanan is still living in Seattle but sort of living like Gayle did and sure hope he realizes it soon he can't live that way or will be in same fix as Gayle has been all her adult life.	
A neighbor next door to Sheri was going to sell his trailer early 2013 and said he would sell it to Gayle for \$4000 so thought it was a good deal but when got into it it needed more then she could handle but decided to keep working at a little at a time and wil get it fixed to suit her soon. She just couldn't stay at Sheri's any longer as they just weren't getting along and Gayle and Jason were drinking more also. But finally by Apr 2014 she has decided she needs help and got signed up for Medicaide as Sheri has so she can get medical treatment and try to get her straightened out. She lost her job with Best Buy on internet as she was doing a another job she should have been doing so decided to take unemployment until she gets back from a week in CALifornia to see the kids the last week of Apr then she will start looking for another internet job. Misty is coming from FL and Caanan is coming from Seattle and they will stay at Brittany's outside Los Angeles.	
Aug 2014 Gayle finally got another job on the internet which pays more then the other one she had and thinks she will like it better. Going to Therapy and shortly will start meds to help her depression. That didn't work out as she said it was no help. So still drinking.	
She was told Brittany and Sergio Mallas became engaged this summer and going to be married next year but don't know where as yet. CA, Mexico or maybe even KY where her father is. They will be married 14 Nov 2015 in Cancun,Mexico. Sounds like all her family will be there.	
Gayle back with another guy and both of them drinking allnight and fighting and arguing all the time so can't understand why she can't get along with anyone. Jason drinking with them all the time too.
